

UrbanGold Minerals Inc. Launches Its New Website

24.01.2019 | [GlobeNewswire](#)

OTTAWA, Jan. 24, 2019 - [UrbanGold Minerals Inc.](#) ("UrbanGold" or the "Company" | TSXV: UGM) is pleased to announce the launching of its new website, and invites its shareholders and investors to peruse www.urbangoldminerals.com

The clean uncluttered design with easy functionality offers visitors quick and easy access to essential information and offers a comprehensive understanding of the Company's exploration strategy and business development model.

With its modern design, the company intends to use the website to provide clear and detailed information on its projects and exploration plans to its shareholders and the mobile-friendly platform will also offer users the option to subscribe to timely news updates from which a user may unsubscribe at any time.

The website also includes a comprehensive investor section with updated company news and events, financial and stock information, SEDAR filings and corporate governance information. Further optimizations and improvements are planned over the coming weeks to enhance the user experience.

About UrbanGold

UrbanGold is incorporated under the federal laws of Canada and has its principal office in Ottawa, Ontario, Canada. The Company is engaged in the evaluation, acquisition and exploration of mineral properties in Canada, and its current focus is Quebec (Figure 1). The Company plans to ultimately develop the properties, bring them into production, option or lease the properties to third parties, or sell the properties outright. The Company has not determined whether these properties contain mineral reserves that are economically recoverable, and the Company is considered to be in the exploration stage.

Forward Looking Information

This press release contains "forward-looking information" within the meaning of applicable securities laws that is intended to be covered by the safe harbours created by those laws. "Forward-looking information" includes statements that use forward-looking terminology such as "may", "will", "expect", "intend", "anticipate", "believe", "continue", "potential" or the negative thereof or other variations thereof or comparable terminology.

Forward-looking information is not a guarantee of future performance and is based upon a number of estimates and assumptions of management at the date the statements are made. Furthermore, such forward-looking information involves a variety of known and unknown risks, uncertainties and other factors which may cause the actual plans, intentions, activities, results, performance or achievements of the Corporation to be materially different from any future plans, intentions, activities, results, performance or achievements expressed or implied by forward-looking information. See "Risk Factors" in the Corporation's Final Prospectus dated December 13, 2018 filed on SEDAR at www.sedar.com for a discussion of these risks.

The Corporation cautions that there can be no assurance that forward-looking information will prove to be accurate, as actual results and future events could differ materially from those anticipated in such information. Accordingly, investors should not place undue reliance on forward-looking information.

Except as required by law, the Corporation does not assume any obligation to release publicly any revisions to forward-looking information contained in this press release to reflect events or circumstances after the date hereof.

Neither the TSX Venture Exchange, nor its Regulation Service Provider (as that term is defined in the policies of the TSXV, accepts responsibility for the adequacy or accuracy of this release.
