

# Engagement of Independent Engineering Team for Third Party Review of El Rollo Growing System

31.01.2019 | [The Newswire](#)

January 31, 2019 / TheNewswire / Calgary, Alberta - [Cerus Energy Group Ltd.](#) TSX-V: CEA ("Cerus" or "the Company") is proud to announce that Aggro Manufacturing Ltd. (a wholly owned subsidiary of Cerus) has entered into a testing and evaluation agreement with a US based engineering firm for the independent testing and appraisal of the El Rollo growing machine.

The aim of the testing is to independently evaluate the equipment's performance and operating capability in a commercial operation. The goal is to validate the companies future forecasted production capabilities and OPEX based on the use of "El Rollo - Marijuana Growing System" within large scale commercial cultivation operations.

The third-party engineering group will provide feedback and recommendations on additional improvements towards efficiencies, control systems and the complete integration of operating systems.

#### FORWARD LOOKING INFORMATION

Certain information in this news release is forward-looking within the meaning of certain securities laws, and is subject to important risks, uncertainties and assumptions. This forward-looking information includes, among other things, information with respect to the Company's beliefs, plans, expectations, anticipations, estimates and intentions. The words "may", "could", "should", "would", "suspect", "outlook", "believe", "anticipate", "estimate", "expect", "intend", "plan", "target" and similar words and expressions are used to identify forward-looking information. The forward-looking information in this news release describes the Company's expectations as of the date of this news release. The results or events anticipated or predicted in such forward-looking information may differ materially from actual results or events. Material factors which could cause actual results or events to differ materially from a conclusion, forecast or projection in such forward-looking information include, among others, risks arising from general economic conditions and adverse industry events.

When relying on forward-looking information to make decisions, investors and others should carefully consider the foregoing factors and other uncertainties and potential events. The Company has assumed that the material factors referred to in the previous paragraph will not cause such forward-looking information to differ materially from actual results or events. However, the list of these factors is not exhaustive and is subject to change and there can be no assurance that such assumptions will reflect the actual outcome of such items or factors.

THE FORWARD-LOOKING INFORMATION CONTAINED IN THIS NEWS RELEASE REPRESENTS THE EXPECTATIONS OF THE COMPANY AS OF THE DATE OF THIS NEWS RELEASE AND, ACCORDINGLY, IS SUBJECT TO CHANGE AFTER SUCH DATE. READERS SHOULD NOT PLACE UNDUE IMPORTANCE ON FORWARD-LOOKING INFORMATION AND SHOULD NOT RELY UPON THIS INFORMATION AS OF ANY OTHER DATE. WHILE THE COMPANY MAY ELECT TO, IT DOES NOT UNDERTAKE TO UPDATE THIS INFORMATION ON AT ANY PARTICULAR TIME.
