

Lorraine Copper Corp. Securityholders Approve Arrangement

05.04.2019 | [The Newswire](#)

Vancouver, April 5, 2019 - [Lorraine Copper Corp.](#) ("Lorraine") (TSXV: LLC; OTCQB: LRCPF) is pleased to announce the voting results from its special meeting of securityholders (the "Meeting") held earlier today concerning the indirect merger of Lorraine and Sun Metals Corp. ("Sun Metals") (TSXV: SUNM). Sun Metals is currently earning a 100% interest in Lorraine's wholly-owned Stardust project in northcentral British Columbia.

At the Meeting, holders of Lorraine common shares (each, a "Lorraine Shareholder"), warrants and options (collectively, "Lorraine Securityholders") were asked to consider and, if deemed advisable, pass a special resolution (the "Arrangement Resolution") approving a plan of arrangement under section 288 of the Business Corporations Act (British Columbia) whereby, among other things: (a) Lorraine Shareholders will receive, for each common share of Lorraine (each, a "Lorraine Share") held, 0.54 of a Sun Metals common share; and (b) Lorraine will be amalgamated with a wholly-owned subsidiary of Sun Metals and Sun Metals will indirectly acquire all of the issued and outstanding Lorraine Shares (the "Arrangement").

The Arrangement Resolution was approved overwhelmingly by Lorraine Securityholders eligible to vote at the Meeting or by proxy as follows:

- 1. In respect of all votes cast by Lorraine Shareholders only, the Arrangement Resolution was approved by approximately 99.97% of the total votes cast;
- 2. In respect of all votes cast by Lorraine Securityholders voting together as a single class, the Arrangement Resolution was approved by approximately 99.98% of the total votes cast; and
- 3. In respect of all votes cast by Lorraine Shares, other than those required to be excluded pursuant to Multilateral Instrument 61-101 - Protection of Minority Security Holders in Special Transactions ("MI 61-101"), the Arrangement Resolution was approved by approximately 99.97% of the total votes cast.

The Arrangement Resolution required the approval of (i) at least 66 2/3 % of the votes cast on the Arrangement Resolution by the Lorraine Shareholders; and (ii) at least 66 2/3 % of the votes cast on the Arrangement Resolution by the Lorraine Securityholders, voting together as a single class; and (iii) subject to the simple majority of the votes cast on the Arrangement Resolution excluding the votes for Lorraine Shares held or controlled by "interested parties" as defined under MI 61-101.

Lorraine intends to apply for a final order from the British Columbia Supreme Court with respect to the Arrangement on April 10, 2019. Closing of the Arrangement remains subject to customary closing conditions, including the aforementioned Court order. Assuming the satisfaction of these closing conditions, the Arrangement is expected to be completed on or about April 12, 2019.

About Lorraine

Lorraine is a Canadian mineral exploration company that is acquiring and advancing copper, gold and molybdenum projects at intermediate to advanced stages that hold significant resources. Lorraine currently owns three properties all of which have defined resources: Lorraine copper-gold (joint- ventured with Teck Limited), OK copper-molybdenum and Stardust (under option to Sun Metals).
