

ChaiNode Opportunities Corp. Announces TSXV Conditional Acceptance and Filing of Filing Statement for Its Qualifying Transaction

02.12.2019 | [ACCESS Newswire](#)

CALGARY, Dec 2, 2019 - [ChaiNode Opportunities Corp.](#) ("ChaiNode") (TSXV:CXD.P) is pleased to announce that it has received conditional acceptance from the TSX Venture Exchange ("TSXV") for the closing of its proposed qualifying transaction (the "Qualifying Transaction") with AmAuCu Mining Corporation ("AmAuCu") and has filed its filing statement in connection with the Qualifying Transaction (the "Filing Statement").

Further to its comprehensive news release dated August 16, 2019, ChaiNode will acquire all of the issued and outstanding securities of AmAuCu by way of a three-cornered amalgamation whereby AmAuCu will amalgamate with a wholly-owned subsidiary of ChaiNode. In connection with the Qualifying Transaction, ChaiNode will change its name to Doré Copper Mining Corp ("Doré Copper"). It is anticipated that the common shares of Doré Copper will trade under the ticker "DCMC".

The completion of the Qualifying Transaction is subject to a number of conditions including, but not limited to, receipt of all required regulatory approvals, including final TSXV acceptance, and satisfaction of other customary closing conditions. Assuming all conditions for closing are satisfied, closing of the Qualifying Transaction is expected to occur on or about December 12, 2019, or such other date as ChaiNode and AmAuCu may determine.

In connection with the Qualifying Transaction, on November 4, 2019, AmAuCu completed its previously announced private placement of 3,861,983 subscription receipts ("Subscription Receipts") at a price of C\$1.30 per Subscription Receipt for aggregate gross proceeds of C\$5,020,578 (the "AmAuCu Private Placement"). Each Subscription Receipt issued under the AmAuCu Private Placement will be automatically converted, without payment of additional consideration or any further action by the holder thereof, into one unit of AmAuCu (a "Unit"), with each Unit comprised of one common share of AmAuCu (a "Common Share") and one half of one common share purchase warrant of AmAuCu (each whole common share purchase warrant, a "Warrant"), immediately before the completion of the Qualifying Transaction upon the satisfaction or waiver of certain escrow release conditions at or before 5:00 p.m. (Vancouver time) on December 20, 2019. Each Warrant will entitle the holder thereof to acquire one Common Share at a price of C\$1.95 per Common Share at any time on or before November 4, 2021, subject to adjustment in certain events.

The AmAuCu Private Placement was carried out pursuant to the terms of an agency agreement dated November 4, 2019 among AmAuCu, ChaiNode, Canaccord Genuity Corp. and BMO Nesbitt Burns Inc. (the "Agents").

In consideration for their services in connection with the AmAuCu Private Placement, AmAuCu is required to pay the Agents a cash commission equal to 7% of the aggregate gross proceeds from the sale of the Subscription Receipts, 50% of which commission was paid on the closing date of the AmAuCu Private Placement and the remaining 50% of which commission was deposited in escrow. As additional consideration for the services of the Agents, the Agents will be granted non-transferable broker warrants of AmAuCu (the "Broker Warrants") equal to 7% of the aggregate number of Subscription Receipts issued. Each Broker Warrant will be exercisable to acquire one Common Share at a price of C\$1.30 per Common Share at any time on or before the date which is 24 months after the date of closing of the Qualifying Transaction. A reduced cash commission is payable and a reduced number of Broker Warrants are issuable in respect of the sale of AmAuCu Subscription Receipts to purchasers identified by AmAuCu to the Agents.

It is anticipated that the net proceeds from the AmAuCu Private Placement will be used for the exploration and development of AmAuCu's Corner Bay Project and Cedar Bay Project and general working capital following completion of the Qualifying Transaction.
