

Continental Gold Provides Buriticá Project Construction Update

23.01.2020 | [CNW](#)

TORONTO, Jan. 23, 2020 - [Continental Gold Inc.](#) (TSX:CNL; OTCQX:CGOOF) ("Continental" or the "Company") is pleased to announce the release of photos showing construction advancement at its flagship Buriticá project in northwestern Antioquia, Colombia.

The construction of the mine is virtually complete and mechanical completion for the project remains on schedule for the latter part of Q1, 2020.

Additionally, the Company continues to receive assay results from the lab for the infill and exploration drilling program conducted in the latter part of 2019. Once all assays have been received and compiled, results will be announced in a timely manner.

About Continental Gold

Continental Gold is the leading large-scale gold mining company in Colombia and is presently developing its 100% owned Buriticá project in Antioquia. Buriticá is one of the largest and highest-grade gold projects in the world and is being advanced utilizing best practices for mine construction, environmental care and community inclusion. Led by an international management team with a successful record of discovering, financing and developing large high-grade gold deposits in Latin America, the Buriticá project is on schedule with mechanical completion anticipated during the first quarter of 2020. Additional details on Continental Gold's suite of gold exploration properties are also available at www.continentalgold.com.

Forward-Looking Statements

This news release contains or refers to forward-looking information under Canadian securities legislation, including but not limited to statements regarding the anticipated date of the Meeting, the anticipated closing of the Zijin Transaction, the development and construction of the Buriticá project, advancing the Buriticá project, the economic effect of the mine, and future plans and objectives of the Company, and is based on current expectations that involve a number of significant business risks and uncertainties. Forward-looking statements are subject to other factors that could cause actual results to differ materially from expected results. Readers should not place undue reliance on forward-looking statements. Factors that could cause actual results to differ materially from any forward-looking statement include, but are not limited to, the possibility that the Zijin Transaction will not be completed on the terms and conditions, or on the timing, currently contemplated, and that it may not be completed at all, due to a failure to obtain or satisfy, in a timely manner or otherwise, required Shareholder, court and regulatory approvals and other conditions of closing necessary to complete the Zijin Transaction or for other reasons, the possibility of adverse reactions or changes in business relationships resulting from the announcement or completion of the Zijin Transaction, an inability to advance the Buriticá project to the next level, failure to convert estimated mineral resources to reserves, capital and operating costs varying significantly from estimates, the preliminary nature of metallurgical test results, delays in obtaining or failures to obtain required governmental, environmental or other project approvals, political risks, uncertainties relating to the availability and costs of financing needed in the future, changes in equity markets, inflation, changes in exchange rates, fluctuations in commodity prices, delays in the development of projects and the other risks involved in the mineral exploration and development industry. Specific reference is made to the most recent Annual Information Form on file with Canadian provincial securities regulatory authorities for a discussion of some of the factors underlying forward-looking statements. All of the forward-looking statements made in this news release are qualified by these cautionary statements and are made as of the date hereof. The Company assumes no responsibility to update them or revise them to reflect new events or circumstances other than as required by law.
