

# Pasinex Provides Update on Postponement in Filing of its First Quarter Results for 2020

02.07.2020 | [GlobeNewswire](#)

TORONTO, July 02, 2020 - [Pasinex Resources Ltd.](#) (CSE: PSE) (FSE: PNX) (The Company) previously announced that due to logistics and delays caused by the COVID-19 pandemic, the Company was relying on the British Columbia Securities Commission's (the Commission) blanket order BCI 51-515 to postpone the filing of its financial statements and management's discussion and analysis for the three months ended March 31, 2020 (collectively, the "First Quarter Filings").

In response to the COVID-19 pandemic, the Commission and other securities regulatory authorities in Canada have granted a blanket exemption allowing issuers an additional 45 days to complete their regulatory filings that were otherwise due during the period March 23, 2020 to June 1, 2020.

Until the Company has filed and announced the required First Quarter Filings, members of management and other insiders are subject to a trading black-out policy that reflects the principles in section 9 of National Policy 11-207 (*Failure-to-File Cease Trade Orders and Revocations in Multiple Jurisdictions*).

There have been no material business developments since the date of the last annual financial statements, filed June 9, 2020, a copy of which is available on SEDAR at [www.sedar.com](#).

Steve Williams, President and CEO of Pasinex, commented, "Pasinex are continuing to expect to file the First Quarter Filings by July 15, 2020. We regret this delay and we are working diligently to get these statements completed."
