

Antero Resources Announces \$250 Million Offering of Convertible Senior Notes

18.08.2020 | [PR Newswire](#)

DENVER, Aug. 18, 2020 - [Antero Resources Corp.](#) (NYSE: AR) ("Antero Resources" or the "Company") announced today that, subject to market and other conditions, it intends to offer \$250 million in aggregate principal amount of convertible senior notes due 2026 (the "Notes") in a private placement to eligible purchasers. The Company also expects to grant the initial purchasers of the Notes a 30-day option to purchase up to an additional \$50 million aggregate principal amount of the Notes.

The Notes will be senior, unsecured obligations of the Company, accrue interest payable semi-annually in arrears and mature on September 1, 2026, unless earlier repurchased, redeemed or converted. The Notes will be convertible into cash, shares of the Company's common stock or a combination thereof, at the Company's election. The Notes will be fully and unconditionally guaranteed, on a senior, unsecured basis, by the Company's subsidiaries that currently or in the future guarantee the Company's existing senior notes. The interest rate, initial conversion rate and other terms of the Notes are expected to be determined at the time of pricing of the offering.

The Company intends to use the net proceeds from the offering (including any additional net proceeds if the initial purchasers exercise their option to purchase additional Notes) to repay indebtedness under the Company's credit facility, which amounts may be reborrowed at any time, including to fund the pending senior note tender offers.
