Adam Lundin commented "We are very pleased to offer our current and prospective shareholders another regulated platform from which they can conveniently trade our common shares. This important step will increase our visibility and accessibility in the market as we continue to advance the Josemaria copper-gold project".

To be eligible for the OTCQB Venture Market, companies must be current in their financial reporting, pass a minimum bid price test and undergo an annual company verification and management certification process. The OTCQB Venture Market quality standards provide a strong baseline of transparency, as well as the technology and regulation to improve the information and trading experience for investors.

ABOUT JOSEMARIA
