Gold Fields Exercises Participation Right

Vancouver, March 11, 2021 - [Chakana Copper Corp.](#) (TSXV: PERU) (OTCQB: CHKCF) (FSE: 1ZX) (the "Company" or "Chakana"), is pleased to announce that it has completed a second and final tranche of its non-brokered private placement previously announced on January 20, 2021 (the "Private Placement"). Pursuant to the second tranche of the Private Placement, the Company sold and issued 3,874,516 common shares of the Company at a price of C\$0.50 per common share for gross proceeds of C\$1,937,258. In total, Chakana sold and issued an aggregate of 18,060,516 common shares at a price of C\$0.50 per common share for gross proceeds of C\$9,030,258 pursuant to the Private Placement.

In accordance with an agreement between the Company and Gold Fields Nazca Holdings Inc. ("Gold Fields"), a wholly owned indirect subsidiary of Gold Fields Limited (see news release dated April 19, 2019), Gold Fields exercised its participation right and kept its pro rata ownership interest at 19.99% of the outstanding common shares of Chakana. Gold Fields' final participation in the Private Placement was the purchase of 6,584,516 common shares for total proceeds of C\$3,292,258.

David Kelley, President and CEO, commented, "We are pleased to report that we now have a total of \$11 million in working capital to pursue our aggressive 26,000m drill program and maiden resource estimate as approved earlier this year. This drill program is undertaking in-fill drilling on recent discoveries announced at Paloma East, Paloma West, and the Huancarama Breccia Complex, and will test numerous additional targets. A maiden resource on several of the breccia pipes will be published this year. We currently have two drill rigs operating on the Soledad project."

The Company intends to use the net proceeds of the Private Placement for the accelerated exploration and development of the Company's high-grade copper-gold-silver Soledad Project located in the Ancash region of Peru and for general working capital and administrative purposes. Since restarting its 15,000m Phase 3 drill program on August 15, 2020, the Company has announced three new discoveries at Paloma East (news release - October 26, 2020), Paloma West (news releases - November 10, November 18, and December 3, 2020), and at the Huancarama Breccia Complex where drilling is ongoing (news release - February 9, January 12, and March 3, 2021).

The Company paid a finder's fee of C\$147,000 on the second tranche of the Private Placement to certain arms-length parties who assisted the Company in introducing subscribers to the Private Placement.

All securities issued for the second tranche under the Private Placement are subject to a four-month hold period expiring on July 11, 2021 in accordance with applicable Canadian securities laws, in addition to such other restrictions as may apply under applicable securities laws in jurisdictions outside of Canada. Final closing of this Offering is subject to final acceptance by the TSX Venture Exchange.

About Chakana Copper

[Chakana Copper Corp.](#) is a Canadian-based minerals exploration company that is currently advancing the high-grade copper-gold-silver Soledad Project located in the Ancash region of Peru, a highly favorable mining jurisdiction with supportive communities. The Soledad Project consists of mineralization hosted in tourmaline breccia pipes. A total of 39,098 metres of drilling has been completed to-date, testing ten (10) of twenty-three (23) confirmed breccia pipes with 110 total targets defined. Chakana's investors are uniquely positioned as the Soledad Project provides exposure to several metals including copper, gold, and silver.
