EnerCom's 26th The Oil & Gas Conference® brings a broad group of public and private energy companies, energy analysts, industry leaders and investors to Denver, Aug. 15-18, 2021

DENVER, May 4, 2021 - Institutional investors, portfolio managers, financial analysts, CIOs and other investment community professionals who invest in the energy space should register now for The Oil & Gas Conference® which will take place Aug. 15-18, 2021, at the Denver Downtown Westin hotel.

The event is EnerCom's 26th annual Denver investment conference. At this year's conference, C-level leadership of top energy companies will present their plans for drilling and completing wells, discuss well results and capital efficiency, and estimate capital expenditures and production for the balance of 2021 and into 2022.

"We are excited to bring the energy and investment communities together again in Denver this August," said Aaron Vandeford, President of EnerCom. "This year's event will mark our 26th anniversary and will play host to management teams and capital partners from around the globe, all engaged in the important discussion surrounding the future of the energy sector."

For the buy-side investment community, the EnerCom conference provides top level access to oil and gas company C-suite executives. The four-day conference allows institutional investors to set one-on-one meetings with company management teams. Meetings are limited to buy-side principals, portfolio managers, CIOs and securities analysts. Individual company meeting requests must be made in advance as part of the online conference registration process.

The complete daily schedule of presenters will be posted on the website prior to the event (presenters, days, times are subject to change). The conference investor presentations begin at 7:30 a.m. and run through 4:30 p.m.

Online Registration is Open for EnerCom's 26TH Annual The Oil & Gas Conference®: Investors and oil and gas company professionals may register for the event through the conference website registration page.

The EnerCom conference forum fosters healthy dialogue and informal networking opportunities for attendees at several sponsored events the week of the conference.
