14.05.2021 | [GlobeNewswire](#)

Lead, May 14, 2021 - [Dakota Territory Resource Corp.](#) (OTCQB: DTRC) ("Dakota Territory" or the "Company") is pleased to announce that it has entered into a definitive merger agreement (the "Merger Agreement") with JR Resources Corp. ("JR Resources"), its largest shareholder. The resulting company will be named "Dakota Gold Corp." In addition, the board of directors has approved a 4 for 1 reverse stock split of the Company's issued and outstanding common stock. The reverse stock split will be effective prior to the stock market opening on May 25, 2021, subject to the receipt of all necessary regulatory approvals, including the approval of the Nevada Secretary of State.

"The merger between Dakota Territory and JR Resources combines the assets and talents of the two companies and we believe will enable Dakota Gold Corp. to unlock the mineral value of its assets for its shareholders," said Jonathan Awde, President and CEO of Dakota Territory. "This merger will remove the existing control block and, along with the reverse stock split, will position the company to achieve its broader objective of exploring and identifying gold resources on our extensive property package in the historic Homestake gold district of South Dakota."

Merger Agreement

Pursuant to the Merger Agreement, JR Resources and the Company have incorporated a new company ("NewCo") that will acquire all of the outstanding securities of JR Resources and of the Company in exchange for securities of NewCo (the "Merger"). Shareholders of JR Resources will receive a number of NewCo shares of common stock equal to their percentage shareholding in JR Resources multiplied by the 142,566,667 Dakota Territory shares that JR Resources owns. Shareholders of the Company other than JR Resources will receive one share of common stock of NewCo for each share of common stock of Dakota Territory.

In addition, at the closing of the Merger, (i) each outstanding option to purchase Dakota Territory common stock, whether vested or unvested, will be assumed and converted into an option with respect to a number of shares of NewCo common stock in the manner set forth in the Merger Agreement, (ii) each outstanding warrant to purchase JR Resources common stock, whether or not exercisable, will be assumed and converted into a warrant with respect to a number of shares of NewCo common stock in the manner set forth in the Merger Agreement, (iii) any outstanding awards of restricted stock units with respect to shares of Dakota Territory common stock will be assumed and converted into the right to receive an award of restricted stock units representing a right to receive a number of shares of NewCo common stock in the manner set forth in the Merger Agreement, and (iv) NewCo will change its name to "Dakota Gold Corp."

The completion of the Merger is subject to customary closing conditions for a transaction of this nature, including securities law compliance, the approval of JR Resources shareholders and the approval of Dakota Territory shareholders. In addition, in connection with the Merger, the Company and JR Resources intend to cause NewCo to prepare and file a registration statement on Form S-4 with the U.S. Securities and Exchange Commission (the "SEC"), which will require the approval of the SEC.

The board of directors of the Company has approved the Merger. Jonathan Awde abstained from voting on the Merger, having disclosed his interest as President, CEO, a director and a shareholder of JR Resources. Robert Quartermain abstained from voting, having disclosed his interest as a shareholder of JR Resources.

Reverse Stock Split

In the reverse stock split, every 4 pre-split shares of issued and outstanding common stock of the Company will be converted into 1 post-split share of common stock, with all fractional shares being rounded up to the nearest whole share. No fractional shares will be issued in connection with the reverse stock split. In connection with the reverse stock split, the 300,000,000 pre-split authorized shares of Dakota Territory common stock will be proportionately reduced to 75,000,000 post-split authorized shares of Dakota Territory common stock and the Company's 224,789,323 shares of pre-split common stock that are currently issued and outstanding will be reduced to approximately 56,197,331 shares of post-split common stock. Proportional adjustments will also be made to the Company's outstanding stock options.

As a result of the reverse stock split, each shareholder's percentage ownership interest in the Company and proportional voting power will remain virtually unchanged, except for minor adjustments that may result from rounding fractional shares into whole shares. In addition, the rights and privileges of the holders of Dakota Territory common stock will be unaffected by the reverse stock split. For example: (1) a shareholder of Dakota Territory who owns 100,000 pre-split shares of common stock will own 25,000 post-split shares of common stock following completion of the reverse stock split and (2) a shareholder of JR Resources who owns 100,000 shares of JR Resources common stock will, assuming the completion of the Merger, ultimately receive approximately 72,046 post-split shares of common stock of NewCo.

The reverse stock split will become effective as of 12:01 a.m. PT on May 25, 2021, and Dakota Territory common stock will begin trading on the OTCQB on a post-split basis at the open of trading on May 25, 2021, subject to receipt of all necessary regulatory approvals, including the approval of the Nevada Secretary of State. The Company's ticker symbol on the OTCQB will remain unchanged, although a "D" will be placed at the end of the ticker symbol (DTRCD) for 20 business days following the reverse stock split.

Shareholders of Dakota Territory common stock who hold their shares in book-entry or other electronic form do not need to take any action, as the effect of the reverse stock split will automatically be reflected in their respective accounts. Shareholders of Dakota Territory common stock who hold their shares in certificated form will be mailed a letter of transmittal providing instructions for how to exchange their existing stock certificate for a stock certificate with a stamp indicating the new CUSIP number.
