This news release constitutes a "designated news release" for the purposes of Nomad's prospectus supplement dated June 22, 2021, to its short form base shelf prospectus dated September 30, 2020

MONTREAL, Nov. 9, 2021 - [Nomad Royalty Company Ltd.](#) ("Nomad" or the "Company") (TSX: NSR) (NYSE: NSR) is pleased to announce that it has implemented a dividend reinvestment plan (the "Plan"). Shareholders who are residents of Canada, the United States, Bermuda and Cayman Islands may elect to participate in the Plan commencing with the dividend to be paid on January 14, 2022 to shareholders on record as of December 31, 2021. Participation in the Plan is optional and will not affect shareholders' cash dividends unless they elect to participate in the Plan. Quarterly dividends are only payable as and when declared by Nomad's Board of Directors.

The following is a summary of the key attributes of the Plan. A complete copy of the Plan and the Plan enrolment form are available on Nomad's website at <http://www.nomadroyalty.com/en/investors/dividends/>. Shareholders should carefully read the complete text of the Plan before making any decisions regarding their participation in the Plan.

The Plan allows shareholders to reinvest their cash dividends into additional common shares either purchased on the open market through the facilities of the Toronto Stock Exchange (the "TSX") and/or any other alternative Canadian market, or issued directly from treasury by Nomad. In the case of a treasury issuance, the price will be the weighted average price of the common shares on the TSX during the five (5) trading days immediately preceding the dividend payment date, less a discount, if any, of up to 5%, at Nomad's sole election. No brokerage commissions, administrative costs or other service charges are payable on common shares acquired under the Plan for shareholders who elect to participate in the Plan. Dividends can be fully invested in additional common shares of Nomad as the Plan permits fractional shares to be credited to a participant's account. The Plan also allows shareholders participating in the Plan to request that the Plan Agent sell any number of whole common shares of Nomad acquired under the Plan, in which case such selling shareholders will be charged brokerage commissions and transfer taxes, if any, which will be deducted from the cash proceeds of the sale to be paid to the selling shareholders.

To participate in the Plan, registered shareholders must deliver a properly completed Plan enrolment form to Computershare Trust Company of Canada (the "Plan Agent") not less than five (5) business days before a dividend record date. Registered shareholders who wish to participate in the Plan for the January 14, 2022 dividend must deliver a Plan enrolment form to the Plan Agent no later than 4:00 p.m. (Montreal time) on Wednesday, December 22, 2021. In connection with the January 14, 2022 dividend payment date, the dividend to be paid to participants in the Plan will be by way of common shares issued from treasury at a 3% discount to the Average Market Price (as defined in the Plan).

Non-registered beneficial shareholders who wish to participate in the Plan should contact their financial advisor, broker, investment dealer, bank or other financial institution who holds their common shares to inquire about the applicable enrolment deadline and to request enrolment in the Plan. For more information on how to enroll or any other inquiries, contact the Plan Agent at 1-800-564-6253 (toll-free in North America), 1-514-982-7555 (outside North America) or www.investorcentre.com/Nomad.

This press release is not an offer or a solicitation of an offer of securities. Nomad has filed a registration statement (including a prospectus) relating to the Plan with the U.S. Securities and Exchange Commission. A copy of the registration statement (including a prospectus) is available electronically from EDGAR (<http://www.sec.gov>) or by contacting Nomad using the contact information below.
