08.12.2021 | [CNW](#)

TORONTO, Dec. 8, 2021 - [Otso Gold Corp.](#) ("Otso" or the "Company"), (TSX-V: OTSO) announced today it has obtained orders under applicable insolvency legislation from local authorities in Finland and Sweden with respect to its material subsidiaries.

In Finland, the Company's operating subsidiary Otso Gold Oy, a Finnish limited liability company, was granted a request by the District Court of Oulu for interim interdictions under the Finnish Restructuring Act relating to Otso Gold Oy's restructuring application. The stay, which prohibits the repayment as well as the collection and enforcement, whether by legal means or otherwise, of existing debts and the enforcement of any securities provided by the Company, is effective immediately. The Court has initially granted Otso Gold Oy until December 31, 2021 to supplement its application with certain additional required materials. In addition, in Sweden, the District Court of Södertörn (Department 4) resolved to open a restructuring proceeding regarding Otso Gold AB and appointed a local administrator. A creditors' meeting will be held on December 22, 2021 at the District Court of Södertörn. The Swedish restructuring proceedings will cease on March, 7 2022 if an extension request is not filed prior to that date.

As previously disclosed on December 3, 2021, after careful consideration of all available alternatives following thorough consultation with its legal and financial advisors, the Board of Directors of the Company determined that it was in the best interests of the Company and all of its stakeholders to make each of the foregoing local applications for creditor protection and to seek the order given on December 3, 2021 by the Supreme Court of British Columbia granting protection from creditors under the Companies' Creditors Arrangement Act (Canada) ("CCAA") to enable the Company to propose a plan of arrangement to its creditors. A copy of the Initial Order and other information is available on the Monitor's website at [www.insolvencies.deloitte.ca/en-ca/otsogoldcorp](http://www.insolvencies.deloitte.ca/en-ca/otsogoldcorp)

Trading in the common shares of the Company on the TSX Venture Exchange (the "TSXV") remains halted and it is anticipated that the trading thereof will continue to be halted until a review is undertaken by the TSXV regarding the suitability of the Company for listing on the TSXV. Should the common shares be delisted following such review by the TSXV, the Company may apply for listing of the common shares on the NEX Board of the TSXV or relisting on the TSXV upon exiting the CCAA process, as the case may be.

Further news releases will be provided on an ongoing basis throughout the CCAA process as required by law or otherwise as may be determined necessary by the Company or the Court.
