17.01.2022 | [The Newswire](#)

Vancouver, Jan. 17, 2022 - [Apex Resources Inc.](#) (TSXV:APX) ("Apex" or the "Company") is pleased to announce that, subject to the approval of the TSX Venture Exchange (the "Exchange"), it intends to complete a non-brokered private placement (the "Private Placement") and raise total gross proceeds of up to \$500,000 through the issuance of approximately 10.0M units (the "Units") at \$0.05 per Unit. Each Unit is comprised of one (1) common share (the "Shares") in the capital of Apex and one (1) non-transferable share purchase warrant (the "Warrants").

The Warrants attached to the Units will be exercisable into one Share of the Company for a period of 24 months from the date of issue at an exercise price of \$0.10 per Share. The Warrants are subject to an acceleration clause whereby if the volume weighted average closing price of the Shares on the Exchange is \$0.15 or more for 21 consecutive trading days at any time subsequent to the expiry of six months from the date of issuance of the Warrants, then the Company will earn the right by providing notice (the "Acceleration Notice") to the warrant holders, to accelerate the expiry date of the Warrants to that date which is 30 days from the date of the Acceleration Notice. The Company may pay a Finder's Fee of up to 7% cash and 7% finder's warrants to qualified parties. Each finder's warrants will be exercisable under the same terms as the private placement warrants.

The Private Placement is subject to an over-allotment option exercisable at the sole discretion of the Company any time prior to closing to issue up to an additional 5,000,000 Shares for up to an additional \$250,000 of gross proceeds. (all references to "Private Placement" include references to any Shares issued pursuant to the over-allotment option).

All securities issued in connection with the Private Placement will be subject to a hold period and may not be traded for four months plus one day from the date of closing of the Private Placement. Net proceeds from the Private Placement will be used for property exploration, acquisitions and for general working capital.

The Company welcomes all qualified investors to participate in the Private Placement.
