TORONTO, February 18, 2022 - [Cadillac Ventures Inc.](#) ("Cadillac" or the "Company") (TSXV:CDC) announces that its Annual General Meeting was held on February 11th in Toronto. All Existing Directors were re-elected. One new Director, Giacomo Grassi, was elected and all Resolutions proposed for the meeting were passed.

A Cease Trade Order was issued against the company by the Ontario Securities Commission on October 4th, 2021, for failure to file its Audited Financial Statements as required for the year ending May 31, 2021. The order remains in place. However, the Company is working with its auditors to complete the filing.

Following the Amalgamation with KFG Resources, Cadillac has interest in, and receives income from, oil production in 12 wells located in Adams and Jefferson counties Mississippi. Cadillac is evaluating other opportunities which will be pursued once the Cease Trade Order has been lifted.

Cadillac has engaged a website creator to restructure its website, anticipating a resumption in trading of the company's share following all regulatory approvals.
