

Camber Energy Discloses Communication From NYS

04.04.2022 | [ACCESS Newswire](#)

HOUSTON, April 4, 2022 - [Camber Energy Inc.](#) (NYSE American:CEI) ("Camber" or the "Company"), announced that on April 1, 2022 it received a letter from the NYSE American (the "Exchange") in response to the Company's request for an extension of the date by which the Company is to file outstanding financial reports.

[Camber Energy Inc.](#) (the "Company") is not in compliance with NYSE American LLC's (the "Exchange") continued listing standards. Specifically, the Company is not in compliance with Section 134 and 1101 of the NYSE American Company Guide (the "Company Guide") given the Company failed to timely file with the Securities and Exchange Commission (the "Filing Delinquency") the following reports (collectively, the "Delayed Reports"): (i) Form 10-K for the 9-month transition period ended December 31, 2020; (ii) Form 10-Q for the period ended March 31, 2021; (iii) Form 10-Q for the period ended June 30, 2021; and (iv) Form 10-Q for the period ended September 30, 2021.

The Company intended to remedy the Filing Delinquency on or before April 1, 2022, however due to certain circumstances requested the Exchange grant the Company an extension of time by which to file the Delayed Reports. The Exchange accepted the Company's request and has allowed the Company until May 20, 2022 to file the Delayed Reports. The Filing Delinquency will be cured via the filing of the Delayed Reports and the filing of the Company's annual report on Form 10-K for the period ended December 31, 2021 (collectively, the "Required Reports").

If the Company is unable to cure the delinquency by May 20, 2022, Exchange staff will initiate delisting proceedings as appropriate. The Company may appeal a staff delisting determination in accordance with Section 1010 and Part 12 of the Company Guide.

Receipt of the letter does not have any immediate effect on the listing of the Company's shares on the Exchange, except that until the Company regains compliance with the Exchange's listing standards, a "BC" indicator will be affixed to the Company's trading symbol. The Company's business operations and SEC reporting requirements are unaffected by the notification, provided that if the Filing Delinquency is not cured then the Company will be subject to the Exchange's delisting procedures.

The Company is committed to filing the Required Reports to achieve compliance with the Exchange's requirements, and, although there are no guarantees it will do so, the Company expects to file the Required Reports on or before May 20, 2022.
