SEAL BEACH, June 21, 2022 - Economic Hurricane Approaching

Jamie Dimon warned investors to prepare for an economic "hurricane" as the economy struggles against an unprecedented combination of challenges, including tightening monetary policy and Russia's invasion of Ukraine.

Patriot Gold Group Processes Record IRA Rollovers Due to Fed's Response To Inflation & Stock Market Crash in 2022

"That hurricane is right out there down the road coming our way," the JPMorgan Chase & Co. Chief Executive Officer said at a conference &hellip; You better brace yourself."

Patriot Gold Group CEO, Jack Hanney goes on to say, "when you have Jamie Dimon CEO of JP Morgan warning of an 'economic hurricane coming' along with Morgan Stanley warning the market sell-off will only accelerate and the overall S & P index is about to fall sharply with almost all stocks falling in unison you have to start rethinking your defensive positioning and possibility of capital rotation. When considering the geopolitical climate, and seizure of Russia's foreign-exchange reserves this will only fuel more demand for gold from Russia, China, Saudi Arabia and China. Analysts at Goldman Sachs predict record high gold demand from central banks this year as geopolitics prompt shifts to gold."

The U.S. Mint sold 147,000 ounces of Gold in the month of May 2022 and bullion demand is up a massive 617%. U.S. gold bullion sales are up more than 400% from the five-year average between 2015 and 2019. David Einhorn founder of Greenlight Capital said "the Fed is bluffing, the Fed doesn't really have the tools to stop inflation. When the Fed has to choose between fighting inflation and supporting the Treasury, I think it has to pick the Treasury. At that point, it's best to have some Gold." Randy Smallwood CEO of Wheaton Precious Metals warned we could see 15%-20% inflation and that "we're just seeing the start of this inflation monster."

In 2021 Palantir Technologies made headlines with their \$50.7M investment into Gold. According to their President & COO "You have to be prepared for a future with more Black Swan events" Big Tech companies have been making headlines with their investments in alternative asset classes and out of U.S. Dollars that has raised eyebrows that maybe their visionary, innovative thinking is being applied to investments.

Ray Dalio recently stated "Cash is not a safe investment .. because it will be taxed by inflation" Dalio, the most successful Hedge Fund Manager in the world goes on to say "Know how to balance a portfolio. When equities go down then you see Gold go up. Wealth is not destroyed as much as it is transferred. Be in a safe, well-balanced portfolio. You can reduce your risk without reducing your return."

Jeffries Group said "Gold remains an essential hedge as the threat of stagflation - an environment of low growth and higher inflation continues to grow" Jeffries maintained their long-term forecast remains in place for gold prices to push to \$5,500 an ounce.
