

# EnerCom Announces Company One-on-One Meeting Requests Opened Now for Qualified Investors for EnerCom Denver - The Energy Investment Conference Hosted in Denver, August 7-10, 2022

06.07.2022 | [PR Newswire](#)

Preliminary Presentation Times and Schedule for Participating Companies at EnerCom Denver Now Posted on the Conference Website

DENVER, July 6, 2022 - EnerCom, Inc. announced today that institutional investors, portfolio managers, financial analysts, CIOs and other investment industry professionals registered for the EnerCom Denver conference can now request One-on-One meetings with the senior management teams of participating companies on the EnerCom Denver conference website.

Preliminary presentation times for presenting companies and a complete list of events can also be found on the conference website at [www.enercomdenver.com](http://www.enercomdenver.com). This year's panel topics will include discussions on Capital Allocation, Responsibly Sourced Gas, Private Capital, Carbon Capture, Renewable Natural Gas, ESG, Private Companies and Digital Technology.

2022 is EnerCom's 27<sup>th</sup> annual Denver investment conference and will be an in-person event hosted at the Westin Denver Downtown. At this year's conference, C-level leadership of leading energy companies will discuss their outlook for drilling and completion activity, well results, production, ESG and capital expenditures for the balance of 2022 and into 2023. Institutional investors, private equity, hedge funds, family offices, research analysts, retail brokers, high net worth investors and industry professionals who invest in the energy space can register now on the conference website EnerCom Denver - The Energy Investment Conference.

EnerCom Denver is the largest independent energy-focused investor conferences and will take place August 7-10, 2022. The conference provides extensive networking opportunities for all attendees at several sponsored events the week of the conference.

EnerCom is adding to the line-up daily and encourages attendees to check the website frequently for the most current information. A sample of the companies that are scheduled to participate at EnerCom Denver on August 7-10, 2022 include:

For more information, please visit [www.MossAdams.com](http://www.MossAdams.com)

#### About Haynes Boone

Haynes Boone, LLP is an energy focused corporate law firm, providing a full spectrum of legal services and solutions to clients across the oil and gas industry, including the upstream, midstream, and downstream

sectors. Lawyers from our Denver office and 15 other offices work as a team to meet the legal needs of our domestic and international clients involved in oil and gas. We represent private and public oil and gas companies, financial institutions, investment funds and other investors. Our team of more than 100 energy lawyers and landmen understands the physical and financial energy markets, and the firm has been helping both operators and lenders complete some of the largest financings and M&A transactions in recent years. The BTI Industry Power Rankings, published by BTI Consulting Group, Inc., named Haynes and Boone a "Leading Recommended" firm for the energy industry in 2017, ranking our firm among the top three percent of all law firms. For more information, please visit [www.haynesboone.com/](http://www.haynesboone.com/).

#### About BDO

BDO delivers assurance, tax, and financial advisory services to clients throughout the country and around the globe. We offer numerous industry-specific practices, world-class resources, and an unparalleled commitment to meeting our clients' needs. We currently serve more than 400 publicly traded domestic and international clients. For more information, please visit: [www.bdo.com](http://www.bdo.com).

#### About Mobius Risk Group

Mobius Risk Group is an independent commodity and physical energy risk advisory firm. Founded in 2002, Mobius provides strategic advisory services including financial, physical, and commodity risk management and valuation, carbon strategy development, and regulated energy oversight for producers, consumers, distributors and capital providers backed by its proprietary C/ETRM, RiskNet. For more information, please visit: [www.mobiusriskgroup.com](http://www.mobiusriskgroup.com).

#### About Project Canary

Project Canary is a climate tech company that provides trusted, independent, and verified environmental data to track, measure, and score the "E" in ESG across an enterprise's operational value chain. They are the leaders in providing dynamic environmental ratings using real-time monitoring data at the facility level to assess and improve operating practices and provide a science-based and technology-enabled measurement of emission profiles, including methane. Formed as a Public Benefit Corporation, Project Canary's team of scientists, engineers, and seasoned industry operators have earned recognition for their uncompromising standards, including being named "Best for the World" B Corp. For more information, please visit: [www.projectcanary.com](http://www.projectcanary.com).

#### About Fitch Ratings

Fitch Ratings is a leading provider of credit ratings, commentary, and research. Dedicated to providing value beyond the rating through independent and prospective credit opinions, Fitch Ratings offers global perspectives shaped by strong local market experience and credit market expertise. The additional context, perspective, and insights we provide help investors to make important credit judgments with confidence.

Fitch Group is a global leader in financial information services with operations in more than 30 countries. Fitch Group is comprised of: Fitch Ratings, a global leader in credit ratings and research; Fitch Solutions, a leading provider of credit market data, analytical tools and risk services; and Fitch Learning, a preeminent training and professional development firm. With dual headquarters in London and New York, Fitch Group is owned by Hearst. For additional information, please visit [www.fitchratings.com](http://www.fitchratings.com).

#### About CAC Specialty

CAC Specialty is an employee-owned risk solutions company of seasoned and proactive industry leaders, operating as a nimble and collaborative partner who puts you and your business first. With a knowledge-driven approach informed by industry data and decades of honed instinct, CAC brings an innovative vision to insurance broking and merchant banking by providing solutions to solve your risk challenges - from the simple to the previously unsolvable. Backed by a \$40B AUM asset manager and not constrained by traditional risk transfer thinking, CAC can expand the range of risk transfer through access to private debt and alternative pools of risk capital. For additional information, please visit

[www.cacspecialty.com](http://www.cacspecialty.com).

#### About Preng & Associates

Preng & Associates is the world's leading executive search firm totally dedicated to the energy industry. Over our 40 years, we have assisted more than 750 management teams and boards in 75 countries and conducted over 3,700 engagements. Our mission continues to be helping companies and boards identify and attract talent around the world that will impact shareholder value. For additional information, please visit [www.preng.com](http://www.preng.com).

#### About MUFG

We have been a leading provider of banking services to the oil and gas industry in the Americas for more than 30 years, consistently ranking in the Top 10 Lead Arrangers and Top 10 Bond Arrangers in the Thomson Reuters Oil and Gas League Tables. We support clients across the industry-from regional exploration and production to global diversified services companies-that benefit from our focused approach, strong execution, and customized services. Whether you are looking to expand existing reserves, make an acquisition, or streamline operations, we can support your growth with services, including: underwriting and syndications; U.S./Canadian cross-border funding; securities underwriting and placements; leasing and tax equity financing; and commodities, interest rate, and foreign exchange risk management.

#### About Wells Fargo

Wells Fargo & Company (NYSE: WFC) is a diversified, community-based financial services company with \$1.97 trillion in assets. Wells Fargo's vision is to satisfy our customers' financial needs and help them succeed financially. Founded in 1852 and headquartered in San Francisco, Wells Fargo provides banking, investment and mortgage products and services, as well as consumer and commercial finance, through 7,300 locations, more than 13,000 ATMs, the internet ([wellsfargo.com](http://wellsfargo.com)) and mobile banking, and has offices in 31 countries and territories to support customers who conduct business in the global economy. With approximately 266,000 team members, Wells Fargo serves one in three households in the United States. Wells Fargo & Company was ranked No. 30 on Fortune's 2020 rankings of America's largest corporations.

#### About FactSet

FactSet (NYSE:FDS, NASDAQ:FDS) delivers superior content, analytics, and flexible technology to help more than 170,000 users see and seize opportunity sooner. We give investment professionals the edge to outperform with informed insights, workflow solutions across the portfolio lifecycle, and industry-leading support from dedicated specialists. We're proud to have been recognized with multiple awards for our analytical and data-driven solutions, with the distinction of having been recently added to the S&P 500, and repeatedly scored 100 by the Human Rights Campaign® Corporate Equality Index for our LGBTQ+ inclusive policies and practices. Subscribe to our thought leadership blog to get fresh insight delivered daily at [insight.factset.com](http://insight.factset.com).
