

Aton Resources Inc. Announces Bridge Loan Draw

27.07.2022 | [GlobeNewswire](#)

VANCOUVER, July 27, 2022 - [Aton Resources Inc.](#) (AAN: TSX-V) ("Aton" or the "Corporation") announces that further to its news release of July 14, 2022, it has drawn an additional \$608,860 pursuant to its bridge loan facility (the "Loan") with Ou Moonrider ("Moonrider"). The proceeds of the Loan will be used by the Corporation for ongoing working capital expenses and continuing its drilling program at Rodruin.

In connection with this draw, Moonrider has been issued 2,214,036 non-transferable warrants exercisable for one common share at a price of \$0.275 per warrant with an expiration date of July 27, 2023. The Corporation has now fully drawn down the \$1,000,000 available to it under the Loan and has issued a total of 3,475,777 non-transferable warrants to Moonrider. The warrants and any shares issuable on their exercise are subject to a hold period which expires four months from the date of issuance, being November 22, 2022, for the first tranche warrants and November 28, 2022, for the second tranche warrants.

About Aton Resources Inc.

Aton Resources Inc. (AAN: TSX-V) is focused on its 100% owned Abu Marawat Concession ("Abu Marawat"), located in Egypt's Arabian-Nubian Shield, approximately 200 km north of Centamin's world-class Sukari gold mine. Aton has identified numerous gold and base metal exploration targets at Abu Marawat, including the Hamama deposit in the west, the Abu Marawat deposit in the northeast, and the advanced Rodruin exploration prospect in the south of the Concession. Two historic British gold mines are also located on the Concession at Sir Bakis and Semna. Aton has identified several distinct geological trends within Abu Marawat, which display potential for the development of a variety of styles of precious and base metal mineralisation. Abu Marawat is 447.7 km² in size and is located in an area of excellent infrastructure; a four-lane highway, a 220kV power line, and a water pipeline are in close proximity, as are the international airports at Hurghada and Luxor.
