13.02.2023 | [PR Newswire](#)

PITTSBURGH, Feb. 13, 2023 - [EQT Corp.](#) (NYSE: EQT) today announced the planned transition of David Khani, Executive Vice President and Chief Financial Officer, effective in July 2023. EQT will be conducting a search to identify a successor and Mr. Khani will work closely with the Board to ensure a smooth transition of leadership.

"This transition marks the end of an amazing chapter in Dave's career. He has been an integral part of our team since 2020, and we are forever grateful for his stellar contributions to our company," said Toby Z. Rice, President and CEO.

"Dave was brought into EQT at a pivotal time and had clear objectives to help us turn around EQT; and he delivered. Dave has successfully positioned the company with a promising future through many efforts, including designing and executing a debt repayment strategy, improving our credit ratings and facilitating our capital allocation plans. He tackled these projects with heart and urgency, and his leadership contributed to our company moving from a challenging balance sheet position back to investment grade in record time. He not only achieved his goals but did so with the professionalism and thoughtfulness that those of us lucky enough to work with him will forever remember. I am immensely thankful for Dave, as a colleague and a friend, and I am excited to see him move on to the next phase in his life."

Dave Khani said, "I am thankful for having spent the last three years working with Toby and team. I've been amazed at how much this organization has accomplished in such a short period of time and I am grateful to have been part of that evolution. EQT is truly a unique company, with a world class asset base, an exceptional culture, a proven development model and a strong balance sheet. I am proud to have left my mark on the company and I look forward to my next chapter in life."
