

Sidoti & Company, LLC Announces Registration Now Open for March Small-Cap and May Micro-Cap Conferences

14.02.2023 | [ACCESS Newswire](#)

NEW YORK, February 14, 2023 - Sidoti & Company, LLC announces that its two spring conferences are now open for registration. The March Virtual Small-Cap Conference will take place on Wednesday and Thursday, March 22-23, 2023, and the May Virtual Micro-Cap Conference will be on Wednesday and Thursday, May 10-11, 2023.

Sidoti hosts eight virtual investor conferences a year, alternating between small- and micro-cap targeted companies. Companies can host both group presentations and private one-on-one meetings with investors. Over 100 companies and 1,000 investors are expected to attend the March conference.

As a registered broker-dealer, Sidoti's in-house sales team regularly interfaces with its client base of over 500 institutional investors. Standing apart from others in the industry, Sidoti provides all presenters the opportunity to present their stories to Sidoti's sales force through proprietary "teach-ins" before each conference. This increasingly popular offering positions Sidoti's salespeople to fully engage in each presenter's unique story and to then arrange the highest-quality investor meetings at each conference. Companies are encouraged to participate in these teach-ins, though availability is limited.

The company presentation fee is \$6,000. Registration is free for all investors and extends beyond Sidoti's institutional client base. To register for the March or May conferences, or to view dates for all 2023 Sidoti conferences, please visit www.sidoti.com/events. To inquire about a teach-in, please email conference@sidoti.com or call (212) 453-7031.

Over 80 companies in various sectors have already registered for the March conference, including:
