

SKRR Exploration Inc. Completes Watts Lake Property Sale to Fathom Nickel Inc.

14.06.2023 | [CNW](#)

VANCOUVER, June 14, 2023 - [SKRR Exploration Inc.](#) (TSXV: SKRR) (FSE: B04Q) ("SKRR" or the "Company") is pleased to announce that further to its transaction and news release dated March 22, 2023, the Company received the final cash payment of \$75,000 from Fathom Nickel Inc. (CSE: FNI) ("Fathom"). As a result, Fathom now owns 100% of the Watts Lake property consisting of twenty-four (24) mineral claims totaling approximately 13,708 hectares.

SKRR's President and CEO, Sherman Dahl commented:

"The 2,000,000 common shares previously received from Fathom Nickel Inc. provides us with continuing exposure to the Watts Lake property. This is just another way that SKRR can benefit from the many quality assets that it owns, has interests in or has sold".

About SKRR Exploration Inc.:

SKRR is a Canadian-based precious and base metal explorer with properties in British Columbia and Saskatchewan - some of the world's highest ranked mining jurisdictions. The primary exploration focus is on the Trans-Hudson Corridor in Saskatchewan in search of world class precious and base metal deposits. The Trans-Hudson Orogen - although extremely well known in geological terms has been significantly under-explored in Saskatchewan. SKRR is committed to all stakeholders including shareholders, all its partners and the environment in which it operates.

Forward-Looking Information

This news release contains "forward-looking information or statements" within the meaning of applicable securities laws, which may include, without limitation, statements that address the continuing exposure to the Watts Lake property, other statements relating to the technical, financial and business prospects of the Company, its projects and other matters, and the Company's plans and goals. All statements in this news release, other than statements of historical facts, that address events or developments that the Company expects to occur, are forward-looking statements. Although the Company believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results may differ materially from those in the forward-looking statements. Such statements and information are based on numerous assumptions regarding present and future business strategies and the environment in which the Company will operate in the future, including the price of metals, the ability to achieve its goals, the ability to secure equipment and personnel to carry out work programs, that general business and economic conditions will not change in a material adverse manner, that financing will be available if and when needed and on reasonable terms. Such forward-looking information reflects the Company's views with respect to future events and is subject to risks, uncertainties and assumptions, including the risks and uncertainties relating to the interpretation of exploration results, the interpretation of technical and scientific data, risks related to the inherent uncertainty of exploration and development and cost estimates and the potential for unexpected costs and expenses and including those filed under the Company's profile on SEDAR at www.sedar.com. There is a possibility that future exploration, development or mining results will not be consistent with the Company's expectations. Factors that could cause actual results to differ materially from those in forward looking statements include, but are not limited to, continued availability of capital and financing and general economic, market or business conditions, adverse weather or climate conditions, decrease in the price of metals, equipment failures or failure to obtain the necessary equipment, failure to maintain all necessary government permits, approvals and authorizations, the impact of Covid-19 or other viruses and diseases on the Company's ability to operate, failure to maintain community acceptance (including First Nations), increase in costs, litigation, and failure of counterparties to perform their contractual obligations. The Company does not undertake to update forward-looking statements or forward-looking information, except as required by law.
