26.07.2023 | [Newsfile](#)

Thunder Bay, July 25, 2023 - [Metals Creek Resources Corp.](#) (TSXV: MEK) (FSE: M1C1) (the "Company" or Metals Creek) is pleased to announce today that the company has closed a first tranche of a non-brokered private placement of flow-through and non flow-through units (the "Private Placement").

The Company has raised in this first tranche aggregate proceeds of \$154,436 by issuing 4,847,866 flow-through units at \$0.03 per unit (with each flow-through unit consisting of one flow-through common share and one common share purchase warrant) and 300,000 non flow-through units at \$0.03 per unit (with each non flow-through unit consisting of one common share and one common share purchase warrant). The flow-through unit warrants are exercisable for one common share of the Company at an exercise price of \$0.06 for a period of 24 months from the date of issuance. The non flow-through unit warrants are exercisable for one common share of the Company at an exercise price of \$0.05 for a period of 24 months from the date of issuance. All securities issued pursuant to the Financing are subject to a four-month and one day hold period. Cash finders' fees equal to 6.0% of proceeds raised pursuant to the Private Placement were paid in connection with this financing as well as the issuance of 200,022 finders' warrants (being 6.0% of the number of units placed in the Private Placement), which are each exercisable for one common share of the Company at \$0.06 for a period of 24 months from the date of issuance. Two Insiders of the company participated for 520,000 shares.

Closing on a further tranche is expected in early August.

Cautionary Note Regarding Forward-Looking Statements

This press release contains forward-looking statements. Often, but not always, forward-looking statements can be identified by the use of words such as "plans", "expects" or "does not expect", "is expected", "estimates", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or state that certain actions, events or results "may", "could", "would", "might" or "will" be taken, occur or be achieved. Forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of the Company to be materially different from the ability of the Company to close on any additional tranches of the Private Placement, any

future results, performance or achievements expressed or implied by the forward-looking statements, such as costs of sales, general economic conditions, the success of marketing and competition from competing suppliers and businesses. Actual results and developments are likely to differ, and may differ materially, from those expressed or implied by the forward-looking statements contained in this press release. There can be no assurance that an additional tranche of the Private Placement will close, and no assurance that forward-looking statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
