

Golden Share Resources Corp. Extends Date For Completion of Proposed RTO

13.10.2023 | [Newsfile](#)

[Golden Share Resources Corp.](#) (TSXV: GSH) ("Golden Share" or the "Company") has amended its agreement in respect of the reverse take-over (the "RTO") with [Lipari Diamond Mines Ltd.](#) ("Lipari") described in the press release of the Company dated March 20, 2023 to extend the outside date for the completion of the reverse take-over to March 31, 2024. Although the parties do not anticipate that it will take this long to complete the transaction this date was chosen to avoid the need for a further extension. The Company and Lipari are making good progress with the documentation necessary to complete the transaction and will provide further updates as they become available.

About Golden Share

Golden Share is listed on the TSX Venture Exchange under the trading symbol "GSH". Golden Share is a natural resource exploration company focused on Northern Ontario, Canada. The Company's primary assets are the Ogoki Project (diamonds), and the Kagiama Project (base metals).

Cautionary Note on Forward-Looking Statements

This press release may contain "forward-looking statements" regarding Golden Share. These forward-looking statements are made as of the date of this press release and, the Company does not intend, and does not assume any obligation, to update these forward-looking statements, except as required by law. These forward-looking statements include, among others, statements with respect to the proposed reverse takeover transaction. All forward-looking statements and information are based on Golden Share's current beliefs as well as assumptions made by, and information currently available to, it concerning anticipated financial performance, business prospects, strategies, regulatory developments, development plans, exploration, development and mining activities and commitments. Although management considers these assumptions to be reasonable based on information currently available to it, they may prove to be incorrect. Forward-looking statements relate to future events or future performance and reflect current expectations or beliefs regarding future events. Any statements that express or involve discussions with respect to predictions, expectations, beliefs, plans, projections, objectives, assumptions or future events or performance (often, but not always, using words or phrases such as "expects", "anticipates", "plans", "projects", "estimates", "assumes", "intends", "strategy", "goals", "objectives" or variations thereof or stating that certain actions, events or results "may", "could", "would", "might" or "will" be taken, occur or be achieved, or the negative of any of these terms and similar expressions) are not statements of historical fact and may be forward-looking statements. Certain important factors that could cause actual results, performances or achievements to differ materially from those in the forward-looking statements include, but are not limited to: (i) ability to satisfy the closing conditions for the proposed transaction; and (ii) receipt of regulatory approvals on acceptable terms within commonly experienced time frames. By their very nature, forward-looking statements involve inherent risks and uncertainties, both general and specific, and risks exist that estimates, forecasts, projections and other forward-looking statements will not be achieved or that assumptions do not reflect future experience.

Completion of the proposed transaction is subject to a number of conditions, including but not limited to, TSXV acceptance and if applicable, disinterested shareholder approval. Where applicable, the proposed transaction cannot close until the required shareholder approval is obtained. There can be no assurance that the proposed transaction will be completed as proposed or at all.

Investors are cautioned that, except as disclosed in the management information circular or filing statement to be prepared in connection with the proposed transaction, any information released or received with respect to the proposed transaction may not be accurate or complete and should not be relied upon. Trading in the securities of the Company should be considered highly speculative.

The TSX Venture Exchange Inc. has in no way passed upon the merits of the proposed transaction and has

neither approved nor disapproved the contents of this news release.
