/NOT FOR DISTRIBUTION TO UNITED STATES NEWSWIRE SERVICES OR FOR DISSEMINATION IN THE UNITED STATES/

VANCOUVER, Nov. 8, 2023 - [Finlay Minerals Ltd.](#) (TSXV: FYL) ("Finlay" or the "Company") reports that it is applying to the TSX Venture Exchange (the "Exchange") to extend the term of 13,125,000 warrants with an exercise price of \$0.20 and expiring on December 18, 2023 issued under its private placement completed on December 18, 2019 (the "Warrants"). See the Company's press release dated December 18, 2019 (available on SEDAR+) for more information regarding the private placement.

The Company is applying to amend the Warrants to extend the expiry date from December 18, 2023 to December 18, 2024. The foregoing amendments are subject to regulatory acceptance by the Exchange. The exercise price of \$0.20 and all other terms of the Warrants will remain unchanged for the extended exercise period.

The Company further reports that 13,093,750 of the 13,125,000 Warrants are held by a control person of the Company. As such, the extension of such Warrants constitutes, to that extent, a "related party transaction" within the meaning of Exchange Policy 5.9 and Multilateral Instrument 61-101 - Protection of Minority Shareholders ("MI 61-101"). The Company has relied on the exemptions from the valuation and minority shareholder approval requirements of MI 61-101 (and Exchange Policy 5.9), as the fair market value of the Warrants held by the control person does not exceed 25% of the market capitalization of the Company.

Forward-Looking Information: This news release includes certain "forward-looking information" and "forward-looking statements" (collectively, "forward-looking statements") within the meaning of applicable Canadian securities legislation, including statements with respect to the regulatory acceptance of the Warrant amendments by the Exchange. All statements in this news release that address events or developments that we expect to occur in the future are forward-looking statements. Forward-looking statements are statements that are not historical facts and are generally, although not always, identified by words such as "expect", "plan", "anticipate", "project", "target", "potential", "schedule", "forecast", "budget", "estimate", "intend" or "believe" and similar expressions or their negative connotations, or that events or conditions "will", "would", "may", "could", "should" or "might" occur. All such forward-looking statements are based on the opinions and estimates of management as of the date such statements are made. Although Finlay believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results or developments may differ materially from those forward-looking statements. Factors that could cause actual results to differ materially from those in forward-looking statements include market prices, exploration results, availability of capital and financing and general economic, market or business conditions, and the other risk factors described in Finlay's filings with Canadian securities regulators on SEDAR+ at [www.sedarplus.ca](http://www.sedarplus.ca). These forward-looking statements are based on a number of assumptions including, among other things, the timing and receipt of regulatory and governmental approvals, including regulatory acceptance of the Warrant amendments by the Exchange. Investors are cautioned that any such statements are not guarantees of future performance and actual results or developments may differ materially from those projected in the forward-looking statements. Finlay does not assume any obligation to update or revise its forward-looking statements, whether as a result of new information, future or otherwise, except as required by applicable law.
