

Coast Copper Corp. Grants Stock Options

28.11.2023 | [CNW](#)

VANCOUVER, Nov. 28, 2023 - [Coast Copper Corp.](#) ("Coast Copper" or the "Company") (TSXV: COCO) announces the grant of 1,675,000 stock options to Directors, Officers, employees and consultants of the Company pursuant to the Company's 20% fixed Long-Term Incentive Plan, subject to TSX Venture Exchange approval. Each stock option is exercisable into one common share of the Company, subject to certain vesting requirements, at an exercise price of \$0.05 per share with an expiry of November 27, 2028.

The Company also reminds shareholders of the upcoming Annual General Meeting (the "Meeting") being held in Vancouver at its office on December 7, 2023, at 9:00 am. It is recommended that all shareholders vote ahead of the Meeting and attend via teleconference using the number provided in the Management Information Circular.

About Coast Copper Corp.

Coast Copper's exploration focus is the optioned Empire Mine property, located on northern Vancouver Island, BC, which covers three historical open pit mines and two past-producing underground mines that yielded iron, copper, gold and silver. Coast Copper's other properties include its 100% owned Knob Hill NW property located on northern Vancouver Island, its Home Brew property in central BC, and its Scottie West property located in the "Golden Triangle" of northern BC. Coast Copper's management team continues to review precious and base metals opportunities in western North America.

CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING INFORMATION

Certain information contained or incorporated by reference in this press release, including any information regarding the proposed Transaction, private placement, board, and management changes, as to our strategy, projects, plans or future financial or operating performance, constitutes "forward-looking statements." All statements, other than statements of historical fact, are to be considered forward-looking statements. Forward-looking statements are necessarily based on a number of estimates and assumptions that, while considered reasonable by Coast Copper, are inherently subject to significant business, economic, geological, and competitive uncertainties, and contingencies. Although Coast Copper believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance. Known and unknown factors could cause actual results to differ materially from those projected in the forward-looking statements. Such factors include but are not limited to fluctuations in market prices, exploration and exploitation successes, continued availability of capital and financing, changes in national and local government legislation, taxation, controls, regulations, expropriation, or nationalization of property and general political, economic, market or business conditions. Many of these uncertainties and contingencies can affect our actual results and could cause actual results to differ materially from those expressed or implied in any forward-looking statements made by, or on behalf of, us. Readers are cautioned that forward-looking statements are not guarantees of future performance and, therefore, readers are advised to rely on their own evaluation of such uncertainties. All of the forward-looking statements made in this press release, or incorporated by reference, are qualified by these cautionary statements. We do not assume any obligation to update any forward-looking statements.
