## ABOUT DRYDEN GOLD CORP.

[Dryden Gold Corp.](#) is an exploration company focused on the discovery of high-grade gold mineralization listed on the TSX Venture Exchange ("DRY"). The Company has a strong management team and Board of Directors comprised of experienced individuals with a track record of building shareholder value through property acquisition and consolidation, exploration success, and mergers and acquisitions. Dryden Gold controls a 100% interest in a dominant strategic land position in the Dryden District of Northwestern Ontario. Dryden Gold acknowledges all Indigenous Peoples and that it is operating on the traditional homelands of the Wabigoon Lake Ojibway Nation and Eagle Lake First Nation. Dryden Gold's property package includes historic gold mines but has seen limited modern exploration. The property hosts high-grade gold mineralization over 50km of potential strike length along the Manitou-Dinorwic deformation zone. The property has excellent infrastructure, enjoys First Nations support and proximity to an experienced mining workforce.

## Cautionary Note Regarding Forward-Looking Statements

The information contained herein contains "forward-looking statements" within the meaning of applicable

securities legislation. Forward-Looking statements include, but are not limited to, statements with respect to : the acquisition of the Property, receipt of corporate and regulatory approvals, issuance of common shares; future development plans; future acquisitions; exploration programs; and the business and operations of Dryden Gold. Forward-Looking statements relate to information that is based on assumptions of management, forecasts of future results, and estimates of amounts not yet determinable. Any statements that express predictions, expectations, beliefs, plans, projections, objectives, assumptions or future events or performance (often but not always using phrases such as "expects", or "does not expect", "is expected", "anticipates" or "does not anticipate", "plans", "budget", "scheduled", "forecasts", "estimates", "believes" or "intends" or variations of such words and phrases or stating that certain actions, events or results "may" or "could", "would", "might" or "will" be taken to occur or be achieved) are not statements of historical fact and may be "forward-looking statements." Forward-Looking statements are subject to a variety of risks and uncertainties which could affect actual events or results to differ from those reflected in the forward-looking statements including, the potential for delays in exploration or development activities; the uncertainty of profitability; risks and uncertainties relating to the interpretation of drill results, the geology, grade and continuity of mineral deposits; risks related to the inherent uncertainty of production and cost estimates and the potential for unexpected costs and expenses; the possibility that future exploration, development or mining results will not be consistent with the Company's expectations; risks related to commodity price fluctuations; and other risks and uncertainties related to the Company's prospects, properties and business detailed elsewhere in Dryden Gold's and the Company's disclosure record. Should one or more of these risks and uncertainties materialize, or should underlying assumptions prove incorrect, actual results may vary materially from those described in forward-looking statements. Investors are conditioned against attributing undue certainty to forward-looking statements. These forward-looking statements are made as of the date hereof and Dryden Gold and the Company do not assume any obligation to update or revise them to reflect new events or circumstances. Actual events or results could differ materially from Dryden Gold's and the Company's expectations or projections.
