ABOUT THE COMPANY

Topaz is a unique royalty and infrastructure energy company focused on generating free cash flow growth and paying reliable and sustainable dividends to its shareholders, through its strategic relationship with Canada's largest and most active natural gas producer, [Tourmaline Oil Corp.](#) ("Tourmaline"), an investment-grade senior Canadian E&P company, and leveraging industry relationships to execute complementary acquisitions from other high-quality energy companies, while maintaining its commitment to environmental, social and governance best practices. Topaz focuses on top-quartile energy resources and assets best positioned to attract capital in order to generate sustainable long-term growth and profitability.

The Topaz royalty and energy infrastructure revenue streams are generated primarily from assets operated by natural gas producers with some of the lowest greenhouse gas emissions intensity in the Canadian senior upstream sector, including Tourmaline, which has received awards for environmental sustainability and conservation efforts. Certain of these producers have set long-term emissions reduction targets and continue to invest in technology to improve environmental sustainability.

Topaz's common shares are listed and posted for trading on the TSX under the trading symbol "TPZ" and it is included in the S&P/TSX Composite Index. This is the headline index for Canada and is the principal benchmark measure for the Canadian equity markets, represented by the largest companies on the TSX.
