

Heritage Mining Announces Closing of the First Tranche of its Non-Brokered Private Placement of Units, Flow-Through Units

21.06.2024 | [The Newswire](#)

[Heritage Mining Ltd.](#) (CSE: HML) ("Heritage" or the "Company") is pleased to announce that it has closed the first tranche ("Tranche One") of its non-brokered private placement financing previously announced on June 12, 2024 (the "Offering").

The Company raised an aggregate of \$593,003.96 pursuant to Tranche One, of which \$362,000.00 was raised on the issuance of 7,240,000 units ("Units") and \$231,003.96 was raised on the issuance of 3,850,066 flow-through units ("FT Units"). Each Unit was issued at a price per Unit of \$0.05 and is comprised of one common share in the capital of the Company ("Common Share") and one Common Share purchase warrant entitling the holder to acquire one Common Share for a period of 36 months at an exercise price of \$0.075 ("Warrant"). Each FT Unit was issued at a price of \$0.06 and is comprised of one Common Share which will qualify as a "flow-through share" as defined in subsection 66(15) of the Income Tax Act (Canada) and one Warrant.

The Company paid an aggregate \$23,320.32 in cash commissions and issued an aggregate 400,806 compensation options (the "Compensation Options") in connection with Tranche One. Each Compensation Option entitles the holder to acquire one additional Unit at a price of \$0.05 for a period of 24 months following the date of issuance.

Proceeds of Tranche Two will be used to fund the Company's exploration and drilling program on its flagship Drayton-Black Lake Project, in addition to general working capital. All securities issued pursuant to the Tranche One are subject to a statutory hold period of four months plus one day from the date of issuance, in accordance with applicable securities legislation.

ABOUT HERITAGE MINING LTD.

The Company is a Canadian mineral exploration company advancing its two high grade gold-silver-copper projects in Northwestern Ontario. The Drayton-Black Lake and the Contact Bay projects are located near Sioux Lookout in the underexplored Eagle-Wabigoon-Manitou Greenstone Belt. Both projects benefit from a wealth of historic data, excellent site access and logistical support from the local community. The Company is well capitalized, with a tight capital structure.

FORWARD-LOOKING STATEMENTS

This news release contains certain statements that constitute forward looking information within the meaning of applicable securities laws. These statements relate to future events of the Company. Any statements that express or involve discussions with respect to predictions, expectations, beliefs, plans, projections, objectives, assumptions or future events or performance (often, but not always, using words or phrases such as "seek", "anticipate", "plan", "continue", "estimate", "expect", "forecast", "may", "will", "project", "predict", "potential", "targeting", "intend", "could", "might", "should", "believe", "outlook" and similar expressions are not statements of historical fact and may be forward looking information. All statements, other than statements of historical fact, included herein are forward-looking statements.

Forward looking information involves known and unknown risks, uncertainties and other factors which may cause the actual results, performance, or achievements of the Company to be materially different from any future results, performance or achievements expressed or implied by the forward-looking information. Such risks include, among others, the inherent risk of the mining industry; adverse economic and market developments; the risk that the Company will not be successful in completing additional acquisitions; risks relating to the estimation of mineral resources; the possibility that the Company's estimated burn rate may be higher than anticipated; risks of unexpected cost increases; risks of labour shortages; risks relating to exploration and development activities; risks relating to future prices of mineral resources; risks related to work site accidents, risks related to geological uncertainties and variations; risks related to government and community support of the Company's projects; risks related to global pandemics and other risks related to the mining industry. The Company believes that the expectations reflected in such forward-looking information are reasonable, but no assurance can be given that these expectations will prove to be correct and such forward-looking information should not be unduly relied upon. These statements speak only as of the date of this news release. The Company does not intend, and does not assume any obligation, to update any forward-looking information except as required by law.

This document does not constitute an offer to sell, or a solicitation of an offer to buy, securities of the Company in Canada, the United States, or any other jurisdiction. Any such offer to sell or solicitation of an offer to buy the securities described herein will be made only pursuant to subscription documentation between the Company and prospective purchasers. Any such offering will be made in reliance upon exemptions from the prospectus and registration requirements under applicable securities laws, pursuant to a subscription agreement to be entered into by the Company and prospective investors.
