

Colombian Superintendent of Finance Issues Notice of Public Tender Offer for Mineros Shares, Halts Trading on Colombia Stock Exchange

16.10.2024 | [Business Wire](#)

[Mineros S.A.](#) (TSX:MSA, MINEROS:CB) ("Mineros" or the "Company") announces that the Colombian Superintendent of Finance ("SFC") has issued a public notice (the "SFC Notice") announcing the submission to the SFC of an application to make a public tender offer in Colombia to acquire between 8.50% and 10.63% of the issued and subscribed ordinary shares of Mineros ("Mineros Shares") through the facilities of the Colombia Stock Exchange ("BVC") at an offering price of C\$0.975 per share, payable in cash in Colombian pesos or U.S. dollars (the "Offer").

In accordance with Colombian laws regulating public tender offers, the SFC Notice was issued following the receipt by the SFC of notice of the offeror's intention to make the Offer, together with supporting documentation for review. The Offer cannot be made or accepted by shareholders until it is approved by the SFC and additional prescribed requirements are satisfied. Receipt of SFC approval will be contingent on the offeror satisfying the SFC that the Offer complies with applicable regulations, and complying with certain formalities, including providing a performance guarantee covering a certain percentage of the aggregate purchase price for the Mineros Shares that are the subject of the Offer.

The SFC is required to provide comments on the Offer to the offeror within five business days after receiving the offeror's submission (the "Initial Comment Period"). Colombian laws require the offeror to publish notice of the Offer (an "Offer Notice") within five business days following expiry of the Initial Comment Period if SFC does not provide comments or within five business days following the SFC authorization of the Offer, and two additional times. In accordance with Colombian laws, trading in Mineros Shares on the BVC was halted upon the issuance of the SFC Notice, and will remain suspended until the day following the first publication of the Offer Notice. The Company does not expect trading in Mineros Shares on the TSX to be halted.

FORWARD-LOOKING STATEMENTS

This news release contains "forward looking information" within the meaning of applicable Canadian securities laws. Forward looking information includes statements that use forward looking terminology such as "may", "could", "would", "will", "should", "intend", "target", "plan", "expect", "budget", "estimate", "forecast", "schedule", "anticipate", "believe", "continue", "potential", "view" or the negative or grammatical variation thereof or other variations thereof or comparable terminology. Such forward looking information includes,

without limitation, statements with respect to the Offer, including its terms, timing, and potential regulatory approval; halting and resumption of trading of Mineros Shares on the TSX and BVC; the Company's planned exploration, development and production activities; and any other statement that may predict, forecast, indicate or imply future plans, intentions, levels of activity, results, performance or achievements.

Forward looking information is based upon estimates and assumptions of management in light of management's experience and perception of trends, current conditions and expected developments, as well as other factors that management believes to be relevant and reasonable in the circumstances, as of the date of this news release. While the Company considers these assumptions to be reasonable, the assumptions are inherently subject to significant business, social, economic, political, regulatory, competitive and other risks and uncertainties, contingencies and other factors that could cause actual actions, events, conditions, results, performance or achievements to be materially different from those projected in the forward looking information. Many assumptions are based on factors and events that are not within the control of the Company and there is no assurance they will prove to be correct.

For further information of these and other risk factors, please see the "Risk Factors" section of the Company's annual information form dated March 25, 2024, available on SEDAR+ at www.sedarplus.com.

The Company cautions that the foregoing lists of important assumptions and factors are not exhaustive. Other events or circumstances could cause actual results to differ materially from those estimated or projected and expressed in, or implied by, the forward looking information contained herein. There can be no assurance that forward looking information will prove to be accurate, as actual results and future events could differ materially from those anticipated in such information. Accordingly, readers should not place undue reliance on forward looking information.

Forward looking information contained herein is made as of the date of this news release and the Company disclaims any obligation to update or revise any forward looking information, whether as a result of new information, future events or results or otherwise, except as and to the extent required by applicable securities laws.
