CAUTIONARY NOTE REGARDING FORWARD-LOOKING INFORMATION:

This press release may contain certain "forward-looking information" and "forward-looking statements" (collectively "forward-looking information") within the meaning of applicable securities legislation. All statements, other than statements of historical fact, included herein, including, without limitation, the completion and timing of delisting and the consummation of the Arrangement, may be forward-looking information. Forward-looking information is frequently, but not always, identified by words such as "expects", "anticipates", "believes", "intends", "estimates", "potential", "possible", and similar expressions, or statements that events, conditions, or results "will", "may", "could", or "should" occur or be achieved.

Forward-looking information involves various risks and uncertainties. There can be no assurance that such information will prove to be accurate, and actual results and future events could differ materially from those anticipated in such information. Important factors that could cause actual results to differ materially from the Company's expectations include failure to satisfy or waive the closing conditions to the Arrangement; changes in laws, regulations and government practices; government regulation of mining operations;

environmental risks; and other risks and uncertainties disclosed in the Company's periodic filings with Canadian securities regulators and in other Company reports and documents filed with applicable securities regulatory authorities from time to time, including the Company's Annual Information Form available under the Company's profile at www.sedarplus.ca. The Company's forward-looking information reflects the beliefs, opinions, and projections on the date the statements are made. The Company assumes no obligation to update the forward-looking information or beliefs, opinions, projections, or other factors, should they change, except as required by law.
