

# Chevron Announces \$1 Million Donation to Los Angeles County Wildfire Relief Efforts

18.01.2025 | [Business Wire](#)

[Chevron Corp.](#) (NYSE: CVX) today announced a total contribution of \$1 million to the California Fire Foundation, American National Red Cross, and the Los Angeles Chamber of Commerce Small Business Disaster Recovery Fund to support relief efforts for wildfires in California.

"Chevron's legacy in California dates back more than 145 years - with generations of employee families, operations, and business partners throughout Southern California," said Mike Wirth, Chevron's Chairman and CEO. "We are heartbroken by the devastation in Los Angeles, inspired by the bravery of first responders and stand committed to assisting with relief and recovery efforts throughout greater Los Angeles County."

- California Fire Foundation will receive \$500,000 to support first responders and provide financial aid to impacted residents
- American National Red Cross will receive \$250,000 to support impacted families with food, shelter, clothing, emotional support, and financial assistance
- Los Angeles Chamber of Commerce will receive \$250,000 to support business recovery efforts, foster community engagement, and advocate for disaster relief and rebuilding programs

In addition, Chevron will match qualifying donations employees and retirees make to wildfire relief efforts and will provide financial contributions to organizations where its employees volunteer. The aim of this collective financial assistance is to help communities in times of need.

Chevron operates crude oil fields, technical facilities, pipeline assets and two refineries and supplies more than 1,800 retail stations in California.

## About Chevron

Chevron is one of the world's leading integrated energy companies. We believe affordable, reliable and ever-cleaner energy is essential to achieving a more prosperous and sustainable world. Chevron produces crude oil and natural gas; manufactures transportation fuels, lubricants, petrochemicals and additives; and develops technologies that enhance our business and the industry. We are focused on lowering the carbon intensity in our operations and seeking to grow lower carbon businesses along with our traditional business lines. More information about Chevron is available at [www.chevron.com](http://www.chevron.com).

## About California Fire Foundation

The California Fire Foundation, a non-profit 501 (c)(3) organization, provides emotional and financial assistance to families of fallen firefighters, firefighters, and the communities they protect. Formed in 1987 by California Professional Firefighters, the California Fire Foundation's mandate includes an array of survivor and victim assistance projects and community initiatives. Learn more at [cafirfoundation.org](http://cafirfoundation.org).

## About American Red Cross

The American Red Cross shelters, feeds, and provides comfort to victims of disasters; supplies about 40 percent of the nation's blood; teaches skills that save lives; distributes international humanitarian aid; and supports veterans, military members and their families. The Red Cross is a nonprofit organization that depends on volunteers and the generosity of the American public to deliver its mission.
