/NOT FOR DISTRIBUTION TO UNITED STATES NEWSWIRE SERVICES OR FOR DISSEMINATION IN THE UNITED STATES/

VANCOUVER, Feb. 20, 2025 - [SKRR Exploration Inc.](#) (TSXV: SKRR) (FSE: B04Q) ("SKRR" or the "Company") announces that the Company has closed the first tranche (the "First Tranche") of its non-brokered private placement (the "Private Placement"), consisting of 5,458,136 units (the "Units") at a price of CAD\$0.11 per Unit for gross proceeds of CAD\$ \$600,395. Each Unit is comprised of one common share of the Company and one transferable common share purchase warrant (a "Warrant"). Each whole Warrant is exercisable to purchase one common share of the Company at a price of CAD\$0.145 per share for a period of two years from the closing date of the First Tranche.

The Company intends to close a second and final tranche of the Private Placement on or before March 7, 2025, and is subject to certain conditions including, but not limited to, the receipt of all necessary approvals including the approval of the TSX Venture Exchange. No finder's fees were paid in connection with the First Tranche.

The Company intends to use the proceeds of the Private Placement towards working capital and corporate overhead, exploration and development activities and a reserve for potential asset acquisition investigations and due diligence.

All securities issued pursuant to the First Tranche of the Private Placement are subject to a statutory hold period of four months and one day from the closing date in accordance with applicable Canadian securities laws.

Insiders of the Company subscribed for a total of 1,362,000 Units under the First Tranche. Participation by the insiders constitutes a related party transaction as defined under Multilateral Instrument 61-101 ("MI 61-101"). The Company is relying on the exemptions from the valuation and minority shareholder approval requirements of MI 61-101 contained in sections 5.5(a) and 5.7(1)(a) of MI 61-101, as the fair market value of the participation in the Private Placement by insiders does not exceed 25% of the market capitalization of the Company, as determined in accordance with MI 61-101.

About SKRR Exploration Inc.

SKRR is a Canadian-based precious and base metal explorer with properties in Saskatchewan - some of the world's highest ranked mining jurisdictions. The primary exploration focus is on the Trans-Hudson Corridor in Saskatchewan in search of world class precious and base metal deposits. The Trans-Hudson Orogen - although extremely well known in geological terms has been significantly under-explored in Saskatchewan. Forward-Looking Information

This news release contains "forward-looking information or statements" within the meaning of applicable securities laws, which may include, without limitation, statements relating to the use of proceeds of the Private Placement, the closing of a second tranche of the Private Placement, and other statements relating to the technical, financial and business prospects of the Company, its projects and other matters. All statements in this news release, other than statements of historical facts, that address events or developments that the Company expects to occur, are forward-looking statements. Although the Company believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results may differ materially from those in the forward-looking statements. Such statements and information are based on numerous assumptions regarding present and future business strategies and the environment in which the Company will operate in the future, including the price of metals, the ability to achieve its goals, the ability to secure equipment and personnel to carry out work programs, that general business and economic conditions will not change in a material adverse manner, that financing will be available if and when needed and on reasonable terms. Such forward-looking information reflects the Company's views with respect to future events and is subject to risks, uncertainties and assumptions, including the risks and uncertainties relating to the interpretation of exploration results, risks related to the inherent uncertainty of exploration and cost estimates and the potential for unexpected costs and expenses and those other risks filed under the Company's profile on SEDAR at www.sedarplus.ca. There is a possibility that future exploration, development or mining results will not be consistent with the Company's expectations. Factors that could cause actual results to differ materially from those in forward looking statements include, but are not limited to, continued availability of capital and financing and general economic, market or business conditions, failure to secure personnel and equipment for work programs, adverse weather and climate conditions, failure to maintain all necessary government permits, approvals and authorizations, decrease in the price of gold, copper, nickel, uranium and other metals, failure to maintain community acceptance (including First Nations), increase in costs, litigation, and failure of counterparties to perform their contractual obligations. The Company does not undertake to update forward-looking statements or forward-looking information, except as required by law.
