## About Hut 8

Hut 8 Corp. is an energy infrastructure platform integrating power, digital infrastructure, and compute at scale to fuel next-generation, energy-intensive use cases such as Bitcoin mining and high-potential computing. We take a power-first, innovation-driven approach to developing, commercializing, and operating the critical infrastructure that underpins the breakthrough technologies of today and tomorrow. Our platform spans 1,020 megawatts of energy capacity under management across 15 sites in the United States and Canada: five ASIC Colocation and Managed Services sites in Alberta, New York, and Texas, five high performance computing data centers in British Columbia and Ontario, four power generation assets in Ontario, and one non-operational site in Alberta.
