30.04.2025 | [Newsfile](#)

Vancouver, April 30, 2025 - [Rusoro Mining Ltd.](#) (TSXV: RML) (the "Company" or "Rusoro") announces that it has experienced a delay in filing its financial statements for the year ended December 31, 2024, and the related management's discussion and analysis, and CEO and CFO certifications (collectively, the "Required Filings"), which are required to be filed on or before April 30, 2025.

In connection with the anticipated delay, the Company has applied to, and received from, the applicable Canadian securities regulators, a voluntary management cease trade order ("MCTO") which restricts trading in the Company's securities by insiders of the Company, as opposed to a general cease trade order, which would restrict all trading in the Company's securities. The MCTO will be in effect until the Required Filings are filed or until it is revoked or varied.

The Required Filings are in the process of being prepared but haven't been completed as a result of the resignation of the Company's former auditor on October 11, 2024, and the appointment of a new auditor on October 11, 2024. Management expects to be in a position to file the Required Filings no later than May 23, 2025.

The Company confirms that it intends to satisfy the provisions of the alternative information guidelines described in sections 9 and 10 of National Policy 12-203 - Management Cease Trade Orders for so long as it remains in default of the requirement to file the Required Filings. The Company has not taken any steps towards any insolvency proceeding and the Company has no material information to release to the public. The Company has made the foregoing representations in accordance with the requirements of applicable securities laws.

Director Resignations:

The Company also announces that Jay Kaplowitz, Dmitri Ushakov and Vladimir Agapov will be resigning as directors of the Company effective immediately. The Company would like to sincerely thank them for their long-term and valuable contributions to the Company and wish them continued success.
