VANCOUVER, May 16, 2025 - [Alta Copper Corp.](#) (TSX:ATCU)(OTCQX:ATCUF)(BVL:ATCU) ("Alta Copper" or the "Company") is pleased to announce, subject to the approval of the Toronto Stock Exchange, that it has arranged a non-brokered private placement (the "Private Placement") with Nascent Exploration Pty. Ltd., a wholly owned subsidiary of [Fortescue Ltd.](#) ("Fortescue") to raise gross proceeds of Cdn.\$1,500,000. The Company intends to use the proceeds of the Private Placement for working capital while continuing to advance its 100% owned Cañariaco copper project.

The Private Placement will consist of the sale of 2,941,176 common shares (the "Common Shares") at a price of Cdn\$0.51 to raise gross proceeds of approximately Cdn.\$1,500,000. The Common Shares will be subject to a mandatory hold period ending four months and one day after issuance, in accordance with applicable securities law. There will be no warrants included in this Private Placement.

Giulio T. Bonifacio, Executive Chair and CEO, commented: "We are extremely pleased with the continued support of our largest shareholder which further validates the investment merits of the Cañariaco copper project which is advancing as planned. This financing arrangement is significantly more favorable to Alta Copper shareholders compared to alternative financing options that were available that would have been priced at a discount to the market inclusive of warrants and fees. The current financing minimizes dilution and is based on price well above our current share price. This financing will provide the necessary working capital prior to commencement of drilling which remains on schedule. We are also making strong progress toward securing the required approvals from both the Ministry of Energy and Mines and the Community."
