20.05.2025 | [CNW](#)

VANCOUVER, May 20, 2025 - [Lumina Gold Corp.](#) (TSXV: LUM) (OTCQB: LMGDF) (the "Company" or "Lumina") is pleased to announce that, in connection with the proposed arrangement (the "Arrangement") of the Company with CMOC Singapore Pte. Ltd. (the "Purchaser") and 1536188 B.C. Ltd. ("AcquireCo"), as previously jointly announced on April 21, 2025, the Company has called a special meeting (the "Meeting") of holders ("Shareholders") of common shares of the Company ("Shares"), holders of options of the Company ("Optionholders") and holders of restricted share units of the Company (the "RSU Holders" and together with the Shareholders and Optionholders, the "Securityholders") to consider the Arrangement and has completed the mailing of the notice of meeting, information circular and related proxy materials (collectively, the "Meeting Materials") to the Securityholders.

The Meeting to vote on the Arrangement will be held at 10:00 a.m. (Vancouver time) on June 16, 2025, at 1200 Waterfront Centre, 200 Burrard Street, Vancouver, British Columbia. Securityholders are urged to carefully review the Meeting Materials as they contain important information regarding the Arrangement and the rights and entitlements of the Securityholders in connection therewith. The Meeting Materials are also available on the Company's SEDAR+ profile at www.sedarplus.ca.

After consultation with its financial and legal advisors, and following the unanimous recommendation of a special committee of independent directors, the board of directors of Lumina (the "Lumina Board") unanimously determined the Arrangement is fair to Shareholders, is in the best interest of Lumina and approved the entering into of the Arrangement. The Lumina Board unanimously recommends that Securityholders vote FOR the special resolution to approve the Arrangement at the Meeting.

To become effective, the Arrangement must be approved at the Meeting by at least: (i) 66²/₃% of the votes cast by the Shareholders present in person or by proxy and entitled to vote at the Meeting; (ii) 66²/₃% of the votes cast by the Shareholders, the Optionholders and the RSU Holders, voting as a single class, present in person or by proxy and entitled to vote at the Meeting; and (iii) a simple majority of the votes cast by the Shareholders present in person or by proxy and entitled to vote at the Meeting, excluding the votes cast in respect of Shares beneficially owned or over which control or direction is exercised by any persons whose vote must be excluded in accordance with Multilateral Instrument 61-101 - Protection of Minority Security Holders in Special Transactions.

In addition, the Supreme Court of British Columbia (the "Court") must approve the Arrangement as a condition to its effectiveness. Among other things, the Court's final order will include a determination, after considering the substantive and procedural aspects of the transaction, that the Arrangement is in the best interests of the Company and is fair to Securityholders.
