

Inventus Mining Closes \$1M Flow-Through Private Placement With Eric Sprott

22.05.2025 | [GlobeNewswire](#)

TORONTO, May 22, 2025 - [Inventus Mining Corp.](#) (TSX VENTURE: IVS) ("Inventus" or the "Company") is pleased to report that it has closed a non-brokered private placement of 8,000,000 flow-through shares within the meaning of the Income Tax Act (Canada) ("FT Shares"), which were sold at \$0.13 per FT Shares for gross proceeds of \$1,040,000 (the "Private Placement"). Mr. Eric Sprott was the sole subscriber in the Private Placement.

The Private Placement of the FT Shares is subject to the receipt of all required corporate and regulatory approvals including the approval of the TSX-V. All securities issued and issuable pursuant to the Private Placement will be subject to a four month and one day statutory hold period.

Eric Sprott, acquired 8,000,000 FT Shares pursuant to the Private Placement, at \$0.13 per FT Share for total consideration of C\$1,040,000. Prior to the Private Placement, Mr. Sprott beneficially owned and/or controlled 13,549,833 Shares, representing approximately 6.9% of the outstanding Shares on a non-diluted basis. As a result of the Private Placement, Mr. Sprott now beneficially owns and/or controls 21,549,833 Shares, representing approximately 10.6% of the outstanding Shares on a non-diluted basis.

The securities are held for investment purposes. Mr. Sprott has a long-term view of the investment and may acquire additional securities including on the open market or through private acquisitions or sell the securities including on the open market or through private dispositions in the future depending on market conditions, reformulation of plans and/or other relevant factors.

A copy of the early warning report with respect to the foregoing will appear on Inventus Mining's profile on SEDAR+ at www.sedarplus.ca and may also be obtained by calling Mr. Sprott's office at (416) 945-3294 (2176423 Ontario Ltd., 7 King Street East, Suite 1106, Toronto Ontario M5C 3C5).

Proceeds of the Private Placement will be used to incur "Canadian exploration expenses" as defined in subsection 66.1(6) of the Income Tax Act and "flow-through mining expenditures" as defined in subsection 127(9) of the Income Tax Act. Such proceeds will be renounced to the subscribers with an effective date not later than December 31, 2025, in the aggregate amount of not less than the total amount of gross proceeds raised from the issue of the FT Shares.

The Company intends to use the proceeds of the Private Placement to fund exploration at its Pardo and Sudbury 2.0 projects.

Forward-Looking Statements

This News Release includes certain "forward-looking statements" which are not comprised of historical facts. Forward-looking statements include estimates and statements that describe the Company's future plans, objectives or goals, including words to the effect that the Company or management expects a stated condition or result to occur. Forward-looking statements may be identified by such terms as "believes", "anticipates", "expects", "estimates", "may", "could", "would", "if", "yet", "potential", "undetermined", "objective", or "plan". Since forward-looking statements are based on assumptions and address future events and conditions, by their very nature they involve inherent risks and uncertainties. Although these statements are based on information currently available to the Company, the Company provides no assurance that actual results will meet management's expectations. Risks, uncertainties and other factors involved with forward-looking information could cause actual events, results, performance, prospects and opportunities to differ materially from those expressed or implied by such forward-looking information. Forward-looking information in this news release includes, but is not limited to, the Company's objectives, goals or future plans, statements, exploration results, potential mineralization, the estimation of mineral resources, exploration and mine development plans, timing of the commencement of operations and estimates of market conditions. Factors that could cause actual results to differ materially from such forward-looking information include, but are not limited to the failure to identify mineral resources, failure to convert estimated mineral resources to reserves, the inability to complete a feasibility study which recommends a production decision, the preliminary nature of metallurgical test results, delays in obtaining or failures to obtain required governmental, environmental or other project approvals, political risks, inability to fulfill the duty to accommodate First Nations and other indigenous peoples, uncertainties relating to the availability and costs of financing needed in the future, changes in equity markets, inflation, changes in exchange rates, fluctuations in commodity prices, delays in the development of projects, capital and operating costs varying significantly from estimates and the other risks involved in the mineral exploration and development industry, and those risks set out in the Company's public documents filed on SEDAR+. Although the Company believes that the assumptions and factors used in preparing the forward-looking information in this news release are reasonable, undue reliance should not be placed on such information, which only applies as of the date of this news release, and no assurance can be given that such events will occur in the disclosed time frames or at all. The Company disclaims any intention or obligation to update or revise any forward-looking information, whether as a result of new information, future events or otherwise, other than as required by law.
