

Maxus Mining Announces Listing on the Frankfurt Stock Exchange Under the Symbol R7V

29.05.2025 | [GlobeNewswire](#)

VANCOUVER, May 29, 2025 - [Maxus Mining Inc.](#) ("Maxus" or the "Company") (CSE: MAXM | FRA: R7V), is pleased to announce that its common shares are now trading on the Frankfurt Stock Exchange ("FSE") under the symbol "R7V", WKN: A415NU and ISIN: CA 57778V1013.

With this listing, the Company's common shares are now cross listed on the Canadian Securities Exchange and the FSE, providing international exposure to both Canadian and European investors. The dual listing will provide broader access for investors and will also provide additional liquidity for the Company's shareholders. The Company's FSE stock quote can be found here: <https://www.boerse-frankfurt.de/equity/maxus-mining-inc?mic=XFRA>.

Maxus Mining CEO, Scott Walters, commented, *"We are pleased to now be listed on the Frankfurt Stock Exchange which represents an important development for the Company. The listing is expected to increase the Company's visibility to a broader pool of investors while also providing greater liquidity to current shareholders. Moving forward, we're eager to contribute to the energy transition as we establish our presence in capital markets."*

About Maxus Mining Inc.

Maxus Mining Inc. (CSE: MAXM | FRA: R7V) is a mineral exploration company focused on locating, acquiring, and if warranted, developing economic mineral properties in premier jurisdictions. The Company is working towards progressing its Penny Copper Project and is actively evaluating potential future opportunities to expand its operations.

The Penny Copper Project covers approximately 3,122 hectares and has seen exploration activity throughout the last 100+ years with recent work including rock sampling and minor geological mapping. The Penny Copper Project is located near the major past producing Sullivan Mine at Kimberley, British Columbia. Additionally, the Penny Copper Project saw a 2017 work program return 17 grab samples, which returned copper values up to 1,046 ppm Cu (TK-17-149c), 1,808 ppm Cu (TK17-28) and 2,388 ppm Cu (TK17-12).

Disclaimer for Forward-Looking Information

Certain statements in this news release are forward-looking statements, including with respect to future plans, and other matters. Forward-looking statements consist of statements that are not purely historical, including any statements regarding beliefs, plans, expectations or intentions regarding the future. Such information can generally be identified by the use of forwarding-looking wording such as "may", "expect", "estimate", "anticipate", "intend", "believe" and "continue" or the negative thereof or similar variations. The reader is cautioned that assumptions used in the preparation of any forward-looking information may prove to be incorrect. Events or circumstances may cause actual results to differ materially from those predicted,

as a result of numerous known and unknown risks, uncertainties, and other factors, many of which are beyond the control of the Company, including but not limited to, business, economic and capital market conditions, the ability to manage operating expenses, and dependence on key personnel. Forward looking statements in this news release include, but are not limited to, statements with respect to the potential benefits of listing on the FSE. Such statements and information are based on numerous assumptions regarding present and future business strategies and the environment in which the Company will operate in the future, anticipated costs, and the ability to achieve goals. Factors that could cause the actual results to differ materially from those in forward-looking statements include, the continued availability of capital and financing, litigation, failure of counterparties to perform their contractual obligations, loss of key employees and consultants, and general economic, market or business conditions. Forward-looking statements contained in this news release are expressly qualified by this cautionary statement. The reader is cautioned not to place undue reliance on any forward-looking information.

The Canadian Securities Exchange (CSE) does not accept responsibility for the adequacy or accuracy of this release.
