About The Biography Channel:

'Over Half of Canadians in digital households watch The Biography Channel,' Roper Report. The Biography Channel finished #1 in awareness, viewer ship and importance to the enjoyment of cable in a Beta Research Subscriber study of digital cable subscribers and can currently be viewed in 1.15 mil Canadian homes.

Romios' flagship property, Trek, is adjacent to the Galore Creek project of GCMC (NovaGold and Teck Resources) as well as the Copper Canyon property which is currently the target of a takeover by NovaGold. Please see the property map at <http://www.romios.com/i/pdf/GaloreAreaProject.pdf>.

About Romios Gold Resources Inc.

Romios Gold Resources Inc., a progressive Canadian mineral exploration company established in 1995, is headquartered in Toronto and is actively engaged in precious and base metal exploration across North America with a primary focus on gold, silver and copper. Romios has significant property interests in British Columbia, Ontario, Quebec and Nevada. The Company is undertaking extensive exploration work on its Galore Creek area properties in British Columbia, which are centrally located between Galore Creek Mining Corporation's large copper-gold-silver deposit and Barrick's high grade gold mine at Eskay Creek.

Cautionary Note Regarding Forward-Looking Statements: This Press Release contains forward-looking statements that involve risks and uncertainties, which may cause actual results to differ materially from the statements made. When used in this document, the words 'may', 'would', 'could', 'will', 'intend', 'plan', 'anticipate', 'believe', 'estimate', 'expect' and similar expressions are intended to identify forward-looking statements. Such statements reflect our current views with respect to future events and are subject to such risks and uncertainties. Many factors could cause our actual results to differ materially from the statements made, including those factors discussed in filings made by us with the Canadian securities regulatory authorities. Should one or more of these risks and uncertainties, such actual results of current exploration programs, the general risks associated with the mining industry, the price of gold and other metals, currency and interest rate fluctuations, increased competition and general economic and market factors, occur or should assumptions underlying the forward looking statements prove incorrect, actual results may vary materially from those described herein as intended, planned, anticipated, or expected. We do not intend and do not assume any obligation to update these forward-looking statements, except as required by law. Shareholders are cautioned not to put undue reliance on such forward-looking statements.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of

the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
