FORWARD LOOKING STATEMENTS

The statements that are not historical facts are forward-looking statements involving known and unknown risks and uncertainties that could cause actual results to vary materially from targeted results. Such risks and uncertainties include those described from time to time in Wildcat's latest annual report and management discussion and analysis. Wildcat assumes no obligation to publicly update any forward-looking statements, whether as a result of new information, future events or otherwise.

CAUTIONARY NOTE CONCERNING INFERRED MINERAL RESOURCES

A preliminary economic assessment is preliminary in nature and includes inferred mineral resources. Inferred mineral resources have a great amount of uncertainty as to their existence and as to their economic and legal feasibility. It cannot be assumed that an inferred mineral resource will have the economic consideration applied that would enable it to be categorized in the mineral reserve category, and there is no certainty that the preliminary assessment will be realized.
