Capital Gold Corporation (Amex: CGC; TSX: CGC) is reminding stockholders that the special meeting to vote on the merger with Gammon Gold Inc. is this Friday, March 18, 2011. Capital Gold is urging all of its stockholders to vote the WHITE proxy card FOR the Gammon merger. If the Merger is completed, stockholders will receive 0.5209 common shares of Gammon Gold and a cash payment in the amount of \$0.79 for each share of CGC common stock owned immediately prior to the Merger.

As of the close of trading on March 14, 2011, the Gammon merger is valued at \$5.42 per share of CGC. This represents a premium of approximately 43% to the trading price of CGC's common stock on September 24, 2010, the date which the agreed upon Gammon merger exchange ratio was based upon.

Every stockholder's vote is very important, regardless of how many or how few shares he or she may own. Stockholders who have not yet voted or who have previously voted against the Gammon merger, can still vote FOR the transaction. Only the latest dated vote will count. However, since time is short, stockholders are urged to follow the instructions on the WHITE proxy card to vote by internet or telephone.

INDEPENDENT PROXY ADVISORS ISS AND GLASS LEWIS RECOMMEND THAT CGC STOCKHOLDERS VOTE 'FOR' THE GAMMON MERGER.

<<

-- The ISS analysis cited '...the board's evident attention to opportunities for maximizing stockholder value, and the superior market value of the merger consideration being offered' in its recommendation to CGC stockholders to support the Gammon merger.

-- In reaching its recommendation, Glass Lewis stated that, '[i]n sum, given our determination that the Gammon transaction is superior to Timmins' offer, our approval of the board's sale process in general, our view that the implied purchase price is fair to stockholders, and the unanimous support of the board, we believe the proposed acquisition by Gammon is in the best interests of stockholders.
