BMR looked at the following topics, among others:

- Does Alpha's deal for Massey look like a shrewd move?
- What separates Peabody from its other U.S. coal peers?
- Does Consul's move to acquire natural gas assets to go along with its coal properties look like a good one?
- After naming Alliance Resources its top coal MLP pick last June, what are BMR's latest thoughts on the stock now that it has risen approximately 75%?
- As the cheapest coal stock, is Cloud Peak being underestimated? What are its strengths and weaknesses?
