

Solid Resources Ltd. Reports On Results of Annual General and Special Meeting

15.12.2010 | [CNW](#)

VANCOUVER, Dec. 15 - [Solid Resources Ltd.](#) ("Solid" or the "Company") (TSX Venture: SRW; Frankfurt: A0BLQQ) announces that it has held its Annual General and Special Meeting on December 13, 2010. All of the resolutions proposed to the shareholders detailed in the Notice of Annual General and Special Meeting of Solid Resources Ltd. dated November 18, 2010, were duly passed.

Solid Resources is a Canadian junior mining company focusing on the exploration and development of rare and precious metals and industrial commodities worldwide. The Company is currently quantifying the presence of tantalum, tin, lithium and other rare minerals on its property in north-western Spain. In addition, further exploratory work is being conducted on its gold, copper concession in the Province of Ayabaca in northwest Perú.

Certain statements contained in this press release, including statements which are related to exploration activity and future prospects and profitability and which may contain words such as "could", "should", "expect", "believe", "will" and similar expressions and statements relating to matters that are not historical facts are forward-looking statements. Such forward-looking statements involve known and unknown risks and uncertainties which may cause the actual results, performances and/or achievements of Solid to be materially different from any future results, performances or achievements expressed or implied by such forward-looking statements. Such factors include fluctuations in the market conditions and prices of tantalum, lithium, tin, silver and other metals and related products and services; competition; political and economic conditions in countries in which Solid does business; changes in laws and regulations, including environmental regulations, to which Solid is subject, and other factors which are described in further detail in Solid's filings with the Canadian Securities Regulators.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.

This news release may contain certain forward-looking information. All statements included herein, other than statements of historical fact, are forward-looking information and such information involves various risks and uncertainties. There can be no assurance that such information will prove to be accurate, and actual results and future events could differ materially from those anticipated in such information. A description of assumptions used to develop such forward-looking information and a description of risk factors that may cause actual results to differ materially from forward-looking information can be found in the Company's disclosure documents on the SEDAR website at www.sedar.com. The Company does not undertake to update any forward-looking information except in accordance with applicable securities laws.
