Caracara retains the obligation to make certain cash payments to Cybersonic aggregating US\$400,000.

The Acquisition is conditional upon the receipt of all requisite and regulatory and third party consents, including without limitation, the consent of the TSXV, the completion by Ansue of the minimum portion of the previously announced financing for a minimum amount of C\$4.0 million and Ansue having C\$150,000 in net-free available cash on completion of the Acquisition.
