

Georox Resources Inc. - Press Release

29.03.2011 | [CNW](#)

NOT FOR DISTRIBUTION TO U.S. NEWS WIRE SERVICES OR FOR DISSEMINATION IN THE UNITED STATES

KELOWNA, BC, March 29 /CNW/ - [Georox Resources Inc.](#) ("Georox" or the "Company") today has filed its Statement of Reserves Data and Other Oil and Gas Information for the year ended December 31, 2010 with the Canadian Securities authorities as prepared by the independent reserve engineering firm DeGolyer & MacNaughton Canada Limited. The evaluation of the Company's petroleum and natural gas reserves was prepared in accordance with National Instrument 51-101 standards of disclosure for oil and gas activities.

The documents can be accessed on SEDAR at www.sedar.com

CAUTIONARY STATEMENT

Neither the TSX Venture Exchange nor its Regulation Service Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.

No stock exchange, securities commission or other regulatory authority has approved nor disapproved the information contained herein. This news release includes certain "forward looking statements". All statements other than statements of historical fact, included in this release, including, without limitation, statements regarding potential mineralization and reserves, exploration results, and future plans and objectives of the Company, are forward looking statements that involve risks and uncertainties. There can be no assurance that such statements will prove to be accurate and actual results and future events could differ materially from those anticipated in such statements. Important factors that could cause actual results to differ materially from the Company's expectations are exploration risks detailed from time to time in the filings made by the Company with securities regulations.

Forward-looking Statements

This news release contains forward-looking statements relating to the future operations of the Corporation and other statements that are not historical facts. Forward-looking statements are often identified by terms such as "may", "should", "anticipate", "expects" and similar expressions. Any statements that are contained in this news release that are not statements of historical fact may be deemed to be forward-looking statements. Such forward-looking statements are subject to important risks, uncertainties and assumptions.

The reader is cautioned that assumptions used in the preparation of any forward-looking information may prove to be incorrect. Events or circumstances may cause actual results to differ materially from those predicted, as a result of numerous known and unknown risks, uncertainties, and other factors, many of which are beyond the control of Georox. As a result, we cannot guarantee that any forward-looking statement will materialize and the reader is cautioned not to place undue reliance on any forward-looking information.

Such information, although considered reasonable by management at the time of preparation, may prove to be incorrect and actual results may differ materially from those anticipated. Forward-looking statements contained in this news release are expressly qualified by this cautionary statement. The forward-looking statements contained in this news release are made as of the date of this news release, and Georox does not undertake any obligation to update publicly or to revise any of the included forward-looking statements, whether as a result of new information, future events or otherwise, except as expressly required by Canadian securities law.
