14.11.2011 | [Marketwired](#)

VANCOUVER, Nov. 14, 2011 - [Passport Potash, Inc.](#) (the "Company") (TSX VENTURE: PPI) (OTCQX: PPRTF) is pleased to announce that Ali Rahimtula has agreed to join the Company's Board of Directors. Mr. Rahimtula brings a wealth of experience and knowledge from over four decades in the fertilizer industry.

Mr. Rahimtula is the President and founder of Transnational Enterprises LTD., DBA Transfert America. Transnational Enterprises LTD. is a member of the Rahimtula Group. The Rahimtula Group was a pioneer of the fertilizer business in India, and has been a domestic industry leader since the 1960s. They are a global company, recognized for their extensive business networks to supply international fertilizer manufacturers for their critical raw materials such as sulphur, rock phosphate, ammonia, phosphoric acid and potash.

The Rahimtula group has operated in the traditional markets of India and Pakistan but has also expanded its area of operations into other countries such as Brazil, Vietnam, China, Thailand, Philippines, and South Africa. They are also experienced in executing joint-venture fertilizer production and marketing contracts in the Middle East, Asia, and Africa as well as in Europe and the CIS.

"We are thrilled to add a person on our board with the credentials and experience that Mr. Rahimtula possesses. We value his expertise and knowledge in all aspects of the potash business and his input will be invaluable as we move forward," stated CEO, Joshua Bleak.

Passport also announces that Mr. James Davidson will be stepping down from the board effective immediately. "You have my best wishes for the great success that should lie in store. I regret that other commitments will preclude me from participating as fully as I would have liked," said Mr Davidson. Passport would like to thank him for his time served on the board and wish him well in his future endeavours.

## Forward-Looking Statement

*This news release includes certain statements that may be deemed "forward-looking statements". Forward-looking information includes, but is not limited to: statements with respect to the effect and estimated timeline of the drilling and assay results on the Company; the estimation of mineral reserves and mineral resources; the timing and amount of estimated future exploration; costs of exploration; capital expenditures; success of exploration activities; permitting time lines and permitting; government regulation of mining operations; potential future expansion of the PFNP; environmental risks; unanticipated reclamation expenses; and title disputes or claims. Generally, forward-looking information can be identified by the use of forward-looking terminology such as "plans", "expects" or "does not expect", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or statements that certain actions, events or results "may", "could", "would", "might" or "will be taken", "occur" or "be achieved". All statements in this release, other than statements of historical facts, including the likelihood of commercial mining and possible future financings are forward-looking statements. Although the Company believes the expectations expressed in such*

*forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results or developments may differ materially from those in the forward-looking statements. Factors that could cause actual results to differ materially from those in forward-looking statements include: unsuccessful exploration results; changes in metals prices; changes in the availability of funding for mineral exploration; unanticipated changes in key management personnel and general economic conditions. Mining is an inherently risky business. Accordingly the actual events may differ materially from those projected in the forward-looking statements. For more information on the Company and the risks and challenges of its business, investors should review the Company's annual filings that are available at [www.sedar.com](http://www.sedar.com).*
