This news release contains certain forward looking information within the meaning of Canadian securities legislation and forward-looking statements within the meaning of the United States Private Securities Litigation Reform Act of 1995, which address future events and conditions, and which are subject to various risks and uncertainties. The Company's actual results, programs and financial position could differ materially from those anticipated in such forward-looking statements as a result of numerous factors, some of which may be beyond the Company's control. These factors include: the effect of the Company's SEC reporting status and U.S. broker-dealers facilitation of transactions in Mercator's common shares. Forward-looking statements are based on the expectations and opinions of the Company's management on the date the statements are made. The assumptions used in the preparation of such statements, although considered reasonable at the time of preparation, may prove to be imprecise and, as such, undue reliance should not be placed on forward-looking statements. The words 'expect', 'anticipate', 'estimate', 'may', 'will', 'should', 'intend', 'believe', 'target', 'budget', 'plan', 'projection' and similar expressions are intended to identify forward-looking statements. The Company does not assume the obligation to revise or update these forward-looking statements after the date of this news release or to revise them to reflect the occurrence of future unanticipated events, except as may be required under applicable securities laws.
