

# General Metals Corporation President and CEO Interviewed by CEOCFO Magazine

30.01.2012 | [PR Newswire](#)

## General Metals Corporation is Well Positioned for Future Growth, with a CEO in Place Focused on Bringing the Company's Wilson-Independence Gold-Silver Mine in Nevada

RENO, Nev., Jan. 30, 2012 /PRNewswire/ -- [General Metals Corporation](#) (GNMT; OTC:QB) (Berlin: GMQ) is pleased to announce that President, CEO, CFO and Director Daniel J. Forbush has been interviewed and is featured in the January 27, 2012 issue of leading online publication CEOCFO Magazine.

In the article Mr. Forbush says, 'General Metals represents a fantastic opportunity for people to invest for a multiple return on their investment. We are closer to making that return today, which is easy to say, because we are closer to gold production with every passing day. We truly believe that we are currently grossly undervalued and look forward to providing our shareholders with robust returns on their investment.'

### About General Metals Corporation:

[General Metals Corporation](#) is an aggressive junior minerals exploration and development company, based in Reno, Nevada. The Company is actively exploring and developing its 100% controlled Independence property strategically located in the prolific Battle Mountain Mining District of Nevada. The Company's 'flagship' project is the Independence Gold Project, situated in the prolific Battle Mountain - Cortez gold belt of north central Nevada. General Metals holds 14 mining claims encompassing 240 acres with 100% control of the leasehold interest, subject to a sliding scale royalty. The Company also owns 480 acres of fee land near the Independence which can be used in heap leaching operations or as waste dumps.

*Cautionary Note to U.S. Investors - The U.S. Securities and Exchange Commission permits U. S. mining companies, in their filings with the SEC, to disclose only those mineral deposits that a company can economically and legally extract or produce. We use certain terms in this presentation, such as 'measured', 'indicated', and 'inferred' 'resources', which the SEC guidelines strictly prohibit U.S. registered companies from including in their filings with the SEC. U.S. investors are urged to consider closely the disclosure in our form 10-K which may be secured from us or the SEC website at: [www.sec.gov/edgar.html](http://www.sec.gov/edgar.html)*

*Notice Regarding Forward-Looking Statements: This news release contains 'forward-looking statements,' as that term is defined in Section 27A of the United States Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. Statements in this press release which are not purely historical are forward-looking statements and include any statements regarding beliefs, plans, expectations or intentions regarding the future. Such forward-looking statements include, among other things, that the proceeds from the recent private placement will allow the Company to proceed with permitting at its Independence Mine in Nevada or any shallow mining production at any time, that any estimated ounces of gold or silver are contained in the mineralized material in the 'Shallow Target,' and is proposed to be mined and loaded onto a cyanide heap leach pad, or any future financings into which the Company may enter.*

*Actual results could differ from those projected in any forward-looking statements due to numerous factors. Such factors include, among others, the inherent uncertainties associated with mineral exploration. We are not in control of metals prices and these could vary to make development uneconomic. These forward-looking statements are made as of the date of this news release, and we assume no obligation to*

*update the forward-looking statements, or to update the reasons why actual results could differ from those projected in the forward-looking statements. Although we believe that the beliefs, plans, expectations and intentions contained in this press release are reasonable, there can be no assurance that such beliefs, plans, expectations or intentions will prove to be accurate. Investors should consult all of the information set forth herein and should also refer to the risk factors disclosure outlined in our annual report on Form 10-K for the most recent fiscal year, our quarterly reports on Form 10-Q and other periodic reports filed from time-to-time with the Securities and Exchange Commission.*
