

Tigray Resources Inc. Announces \$5.25 Million Non-Brokered Private Placement

08.09.2011 | [Marketwired](#)

NOT FOR DISTRIBUTION TO UNITED STATES NEWS WIRE SERVICES OR FOR RELEASE, PUBLICATION, DISTRIBUTION OR DISSEMINATION, DIRECTLY OR INDIRECTLY, IN WHOLE OR IN PART, IN OR INTO THE UNITED STATES

VANCOUVER, BRITISH COLUMBIA -- ([Marketwire](#) - Sept. 8, 2011) - [Tigray Resources Inc.](#) (TSX VENTURE:TIG) ("Tigray" or the "Company") is pleased to announce that it intends to complete a non-brokered private placement of up to 5,000,000 units at a price of \$1.05 per unit for aggregate proceeds to Tigray of \$5,250,000, subject to the acceptance of the TSX Venture Exchange. Each unit will be comprised of one common share and one non-transferable common share purchase warrant, each warrant exercisable for one additional common share for a period of two years at a price of \$1.50 per share for year one, and \$2.00 per share for year two. The Company expects that certain directors, officers, consultants and insiders will in the aggregate be subscribing for greater than 25% of the offering.

The common shares and warrants comprising the units, as well as any common shares issuable upon exercise of the warrants, will be subject to a four month hold period from the date of issuance. The proceeds from the private placement will be used for further exploration on the Company's Harvest project in Ethiopia as well as for working capital purposes.

No cash commission or compensation of any other kind is being paid in relation to the above-noted offering.

Tigray has also granted an aggregate of 3.9 million stock options to certain directors, officers, employees and consultants pursuant to Tigray's Stock Option Plan. The options have an exercise price of \$1.31 per share and an expiry date of September 8, 2016.

The securities offered have not been, and will not be, registered under the U.S. Securities Act of 1933, as amended (the "U.S. Securities Act") or any U.S. state securities laws, and may not be offered or sold in the United States or to, or for the account or benefit of, United States persons absent registration or any applicable exemption from the registration requirements of the U.S. Securities Act and applicable U.S. state securities laws. This news release shall not constitute an offer to sell or the solicitation of an offer to buy securities in the United States, nor shall there be any sale of these securities in any jurisdiction in which such offer, solicitation or sale would be unlawful.

About Tigray

Tigray is a Canadian mineral exploration company focused on advancing early stage mineral projects in the Tigray region of Ethiopia. Tigray's key property is the 70%-owned Harvest VMS project, located 600 kilometres north-northwest of the capital city of Addis Ababa. Tigray trades on the TSX Venture Exchange under the symbol TIG.

Andrew Lee Smith, P.Geol.
President, CEO and Director

Cautionary Statement Regarding Forward-Looking Information

This news release contains "forward-looking information" within the meaning of applicable Canadian securities legislation. Generally, forward-looking information can be identified by the use of forward-looking terminology such as "anticipate", "believe", "plan", "expect", "intend", "estimate", "forecast", "project", "budget", "schedule", "may", "will", "could", "might", "should" or variations of such words or similar words or expressions. Forward-looking information is based on reasonable assumptions that have been made by the Company as at the date of such information and is subject to known and unknown risks, uncertainties and

other factors that may cause the actual results, level of activity, performance or achievements of the Company to be materially different from those expressed or implied by such forward-looking information, including but not limited to: risks associated with mineral exploration and development; metal and mineral prices; availability of capital; accuracy of the Company's projections and estimates; interest and exchange rates; competition; stock price fluctuations; availability of drilling equipment and access; actual results of current exploration activities; government regulation; political or economic developments; environmental risks; insurance risks; capital expenditures; operating or technical difficulties in connection with development activities; personnel relations; the speculative nature of strategic metal exploration and development including the risks of diminishing quantities of grades of reserves; contests over title to properties; and changes in project parameters as plans continue to be refined, as well as those risk factors set out in the Company's listing application dated August 18, 2011. Forward-looking statements are based on assumptions management believes to be reasonable, including but not limited to the price of gold; the demand for gold; the ability to carry on exploration and development activities; the timely receipt of any required approvals; the ability to obtain qualified personnel, equipment and services in a timely and cost-efficient manner; the ability to operate in a safe, efficient and effective manner; and the regulatory framework regarding environmental matters, and such other assumptions and factors as set out herein. Although the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such information will prove to be accurate, as actual results and future events could differ materially from those anticipated in such information. Accordingly, readers should not place undue reliance on forward-looking information. The Company does not undertake to update any forward-looking information that is included herein, except in accordance with applicable securities laws.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this news release.
